New Homeowner Welcome and Orientation Packet *for* Westbrook Village Association

A Unique Active Adult Community

Welcome to Westbrook Village

We are delighted you have chosen our community as a place to live, and hope your expectations of a satisfying and fulfilled lifestyle will be more than met.

Here at Westbrook we have many things to offer our new homeowners. There are two large recreation centers with swimming pools, spas and many activity rooms, including a fitness center.

You will find a multitude of events held throughout the year:

Concerts, plays, musical events, parties, etc.

Rooms may be rented for a small fee for your private functions.

The Westbrook Village Golf Club has two beautiful courses that wind through our community and will welcome you either as a member or an occasional player.

Our library, located in the Fine Arts Learning Center (FALC), contains a wealth of books, puzzles and videos for your pleasure. Available club activities include arts & crafts, cards & table top games, dance & entertainment, fitness, sports and specialty clubs.

From our perfect location it is a short distance to hiking and biking trails, and our access to the Loop 101 Freeway makes other parts of the valley easily accessible.

As you settle in to your new home, we hope that you will take the time to check in on the Board of Directors and the various committees which support the management of our community. Most of the meetings are open to all, and we always welcome anybody who looks to get involved in keeping Westbrook great.

The Board and committees consist of homeowners just like you who have found that they have time and skills to offer.

Our General Manager, Karen Jones or any of our staff are happy to assist you with any questions you may have. Please contact us via 623-561-0099 or KarenJ@WestbrookVillage.org

Enjoy Westbrook Village: it is truly an oasis in the desert.

Living with Animals in WVA:

Living with Coyotes

Coyotes live in both rural and urban areas throughout Arizona, Westbrook Village is no exception. Below are some tips for living with coyotes:

Don't leave your pets unattended

NEVER FEED COYOTES

Feeding coyotes attracts them back to the area, reduces their natural fear of humans and is against the law (the "No Feeding Wildlife Law" makes feeding coyotes illegal in Maricopa County).

Keep shrubs & branches trimmed to eliminate potential hiding places or shade for coyotes.

For more information on coyotes, visit the Arizona Game & Fish Department at www.azgfd.com

Dog Issues

Please be a courteous and a responsible pet owner.

Maricopa County's leash law prohibits you from allowing your dog to run at large outside your property at any time. Your dog must be confined to your home or property, whether inside the home or within an enclosed yard. When you take your dog outside of its confined area, it must be restrained on a leash that is no longer than 6 feet in length. The owner or person having custody of said dog shall be responsible for removal of any animal solid waste from community areas. Failure to do so can result in a \$250 fine.

Please pick up after your pets
