Editor's Message

Can you believe it is December already? I think we all look forward to the holidays, but even more this year, as we are once again able to be with friends and family to celebrate Christmas, Hanukkah, and the New Year.

Lori Reiland

One of the relationships that is very important to Judy and I is with our creative Designer, Matt Price, Owner of Utopia Creative Solutions. Every month Matt pieces together the articles and ads that we send him to put together Westbrook Living Magazine. Like a puzzle, fitting it all together skillfully, Matt's talent makes this magazine shine. We'd like

We are so grateful for our layout designer, Matt Price!

to just tell Matt how much we appreciate him and how grateful we are that he comes through for us every month.

As always, there are tons of opportunities to get involved in club activities, so get out and enjoy the fabulous Arizona weather. Check out practice tips from Michael Frye, Director of Instruction at Westbrook Village Golf Club. I've been taking lessons from him, and he is a wonderful instructor.

Get into the Christmas spirit on page 8 with Chaplain Greg's message of joy. He never ceases to inspire me to be better, so let's all spread some joy this holiday season!

Once again, thanks to all our advertisers that make this magazine possible. We couldn't do it without them so please go out and support them and tell them you saw their ad in Westbrook Village Living Magazine.

Merry Christmas and Happy Hanukkah to all,

Lori

Cooking at WV with Chuy and Jan!

This is one of our favorite soups. Crusty French bread with gooey melted Swiss cheese on top of sweet onions. As the weather cools down, this is a great and easy soup for an autumn meal.

French Onion Soup Serves 6

INGREDIENTS:

- 6 - medium sized yellow onions
- 2 T. butter (Note: too much butter will cause the onions not to caramelize and you will have white onions.)
- 1 cup Sherry wine
- 1 T. light brown sugar
- 4 T. Cognac/Brandy
- 8 cups beef stock
- S & P to taste

TOPPING:

- 6 Slices of French bread
- 6 Slices Gruyere cheese/Baby Swiss

HERB BAG:

Place all these ingredients into a cheesecloth bag tied securely:

- 1 T. Peppercorns
- 1 T. Thyme
- 6 Parsley stems
- 2 Bay leaves

PROCEDURE:

- Slice onions thinly.
- Brown onions slowly in the butter till soft (approximately 30 minutes)
- Sprinkle with the brown sugar and continue cooking until the onions are golden brown. (Don't rush the browning of the onions, their sweetness emerges from the long, gentle cooking.)
- Stir in the stock, Sherry and Cognac.
- Bring to a boil and lower heat to simmer for about 30 minutes.
- When done place in individual ramekins (over proof).
- Toast the French bread on one side in the broiler.
- Remove from broiler.
- Flip over bread and place bread on top of soup
- Place cheese on top of and broil till cheese is bubbly

Back and Stronger Than Ever!

Thank you to all of those who joined us at our Tech Meeting on November 4th. Your new Board will be announced soon and information about our upcoming events and workshops will be communicated to you all.

We will be having a **Tech Talk** event on December 2 at 7:00 pm in the FALC Building, next to the Vistas Rec Center. This event is open to all residents of

Westbrook Village. Active Club members are eligible to receive door prizes when they attend and new members can join during the event. Membership dues are only \$20 for the entire 2022 calendar year and will include the December Workshops.

The **Apple Talk** Workshop will resume on December 9 at 7:00 pm in the Computer Lab at the Lakes Rec Center and continuing on the 2nd Thursday of every month. This covers all things Apple and Mac; iPhones, iPads, iMac, and even iCloud and iHome.

Google Gaggles makes its triumphant return on the 4th Thursday of every month, starting on December 23 at 7:00 pm in the Computer Lab at the Lakes Rec Center. The Gaggles talk about all things Google,

phones, tablets, computers and even TVs that all use Google software or Android. We also branch out into smart software, smart home and smart vehicle technology that you might want to communicate with.

We've been thinking about adding a Microsoft Workshop focusing on Windows and those transitioning from Windows 8 to Windows 10 and even some that are jumping on the Windows 11 train. We'd like to call it **Window's World**. If anyone is proficient in Windows and would like to share your knowledge and skills, please let us know and we can find time for you to facilitate a Workshop.

All Workshops are available free of charge to active Computer Club members. Membership signup will be available prior to each workshop or anytime at the Lakes Rec Center front desk. Once again, membership dues are only \$20 a year and will include the December Workshops and all of 2022. Membership also gives you access to the Computer Lab, Club Wifi, VR Services, Digital Media transfer services and many other services as they are activated.

As always, we are available for questions, suggestions and club ideas via email at wvcc@live.com

You can also text us at **(623) 226-8126**.

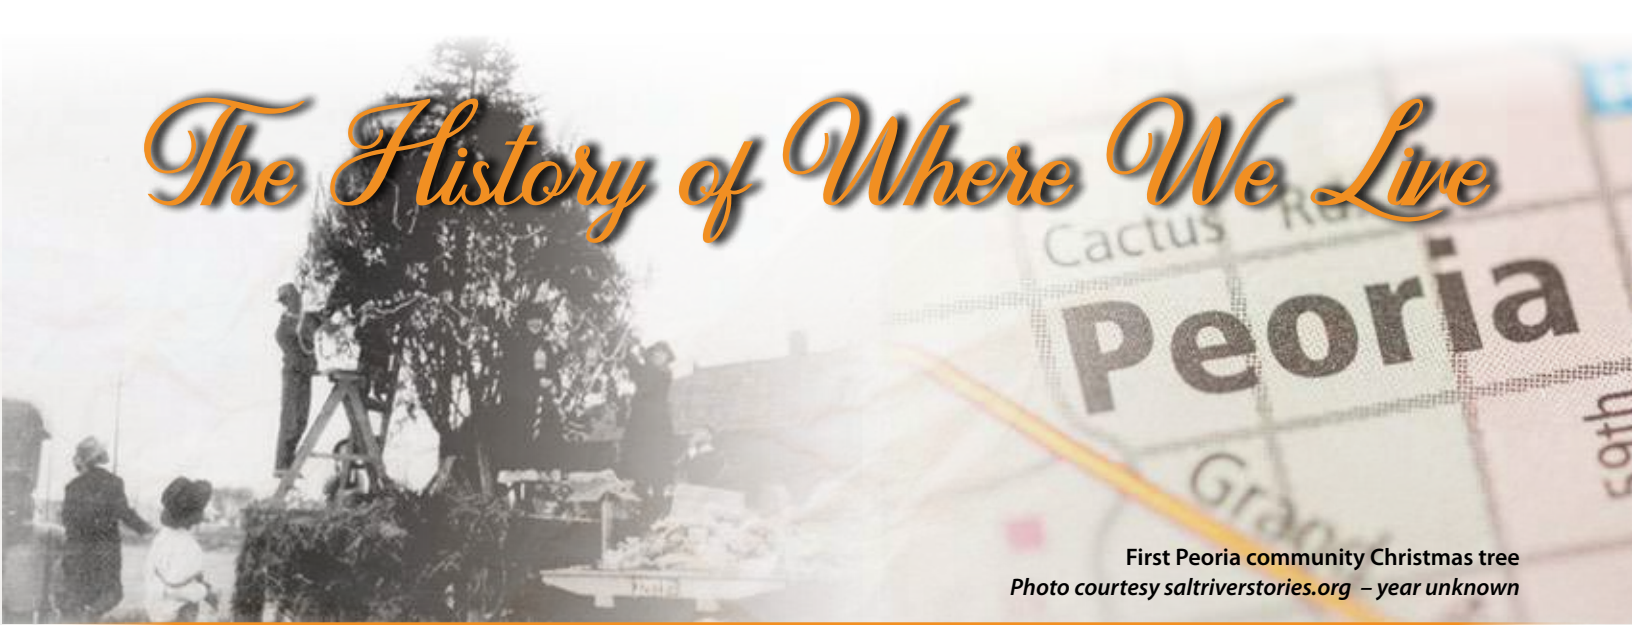

The WV Shalom Club will be enjoying Hanukkah (sometimes spelled Chanukah) festivities starting at sundown on November 28 through December 6 this year.

The eight-day Jewish festival celebrates a miracle that occurred during the dedication of the Second Temple in Jerusalem at the time of the 2nd century Maccabean Revolt. As they began to purify the temple with a menorah-burning ritual that needed oil to burn for 8 days, they only had enough oil for one night. The miracle was that the oil lasted for the full 8 days. That is why burning candles each night for 8 days is part of this holiday. Eight is considered the number of miracles, and "that which does not fit into the neat slots that hold the bits and pieces of our lives."

On the first night the following blessing is cited, just before the first lighting of the menorah: "Blessed are You, Lord our G d, King of the universe, who has granted us life, sustained us, and enabled us to reach this occasion."

The Vulture Mine came to be in 1863 when Henry Wickenburg, a prospector from California's gold rush, discovered a quartz outcropping containing gold. The area around the mine began to draw settlers, and shortly thereafter a grain route was established, which today is known as Grand Avenue.

The population and commerce along Grand Avenue grew, and the completion of the Arizona Canal in 1885 drew near, under the influence of William J. Murphy and his Arizona Improvement Co. Murphy convinced four families from Peoria, Illinois to purchase 5,000 acres of land in the new district. The group successfully established farms and a school and post office by 1889 and the population grew to 27.

Murphy also helped develop Grand Avenue and convinced railroad magnates to route the Santa Fe, Prescott and Phoenix Railroad through Peoria. Construction on the new line began in 1891 and included new stations at Phoenix, Alhambra, Glendale, Peoria, Marinette and Beardsley to Wickenburg. It connected Phoenix to Prescott and to the east-west transcontinental line of the Atchison, Topeka and Santa Fe Railways.

The Peoria town site was surveyed, a well was dug and the city center landed at Washington and Grand Avenue. To accommodate the expanding community, Central School was built in 1906 and was a center of education for the next 70 years.

In 1954 Peoria was incorporated and today covers approximately 179 square miles, and is home to over 191,000 residents. Peoria is Arizona's 4th largest city in terms of incorporated area, and 9th largest city in terms of population.

Joy and Mr. Grinch

One of the most beloved Christmas characters is Dr. Seuss's "The Grinch." Let's face it, Mr. Grinch was mean and nasty and conniving and he had no joy! In the words of Dr. Seuss:

*You're a monster, Mr. Grinch. Your heart's an empty hole.
Your brain is full of spiders. You've got garlic in your soul.*

We often think of Joy as a feeling; but it is also a choice. And the choice we make is to watch for Joy, look for Joy, expect Joy, create Joy. It would be nice if joy just came to us at Christmas wrapped in a pretty package. But that is not the case. We must learn how to choose it, embrace it, and then set ourselves up for joy.

Now Mr. Grinch was sick and tired of Christmas, so he devised a plan to stop it in its tracks. He executed the plan with perfection by sneaking into Whoville the night before Christmas and stealing all the gifts, decorations and food for the festivities the next day. Mission accomplished! Or so he thought.

But to his amazement, on Christmas morning he saw all the residents of Whoville singing, dancing and celebrating with none of the usual trappings of Christmas. The Grinch couldn't believe it. Apparently, the people of Whoville had discovered the

great truth that joy can be found even in the midst of loss.

*He hadn't stopped Christmas from coming!
It came! Somehow or other, it came just the same!
It came without ribbons! It came without tags!
It came without packages, boxes, or bags!*

*He puzzled and puzzled till his puzzler was sore.
Then the Grinch thought of something he hadn't before.
Maybe Christmas, he thought, doesn't come from a store.
Maybe Christmas, perhaps, means a little bit more!*

So Mr. Grinch finally realized his error, and promptly returned all the stuff he had stolen the night before.

And what happened then? Well, in Whoville they say that the Grinch's small heart **grew three sizes** that day!

Friends, we have had another year marked by challenges and loss. I do think it's possible that our hearts can grow three sizes when we choose joy, look for it in the small places in spite of our circumstances, and share it generously with others. My cardiologist would disagree, but hey, I don't think he'll see this!

A Joyful Christmas to you all,

– Chaplain Greg

BESTSELLING FICTION

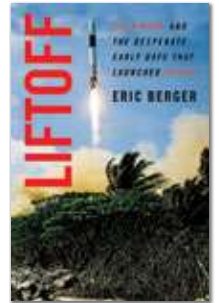

In her Publishers Weekly bestseller, Mary Kay Andrews adds a little magic at Christmas in her story about a holiday quest. When Ivy Perkins buys a fully furnished farmhouse, she finds a Santa suit. In the pocket there is a note written by a little girl asking Santa to bring her father home from the war. Ivy embarks on a search for answers about the young girl's family. In the meantime, her real estate, Ezra, takes quite an interest in Ivy. **Will Ivy find two worlds collide, a family reunited and a second chance at love?**

In her Wall Street Journal bestseller, Danielle Steel weaves a "royal" tale set during World War II. The King and Queen of England send their youngest daughter, Charlotte, to the country due to her severe asthma. At the estate, she meets the Earle's son, Henry. Charlotte and Henry share a love of horses and slowly fall in love. When she becomes pregnant, the Earl arranges a private wedding. **After Charlotte gives birth, a chain of events unfolds that changes the future of her "royal" baby girl.**

BESTSELLING NON-FICTION

In his New York Times book review, Eric Berger provides the dramatic true story of Elon Musk and the early years of SpaceX. Musk founded SpaceX in 2002 with the goal of sending humans to Mars. He plans to build a small biosphere and launch it to the red planet. But SpaceX would not be a real space company until they put a rocket in orbit. In 2008 the fourth rocket launch reached orbit. **Elon Musk proved that a "private company and private capital...can do amazing things in space."**

VIETNAM WAR MEMORIES

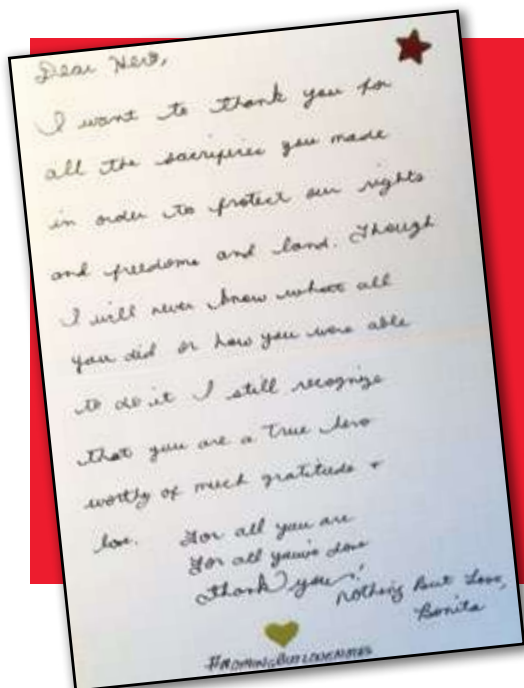

TIM O'BRIEN

Tim went through Army basic training at Ft. Lewis in September 1968, which included advanced quartermaster and logistics support training at Ft. Lee, Virginia. He was then assigned to the 9th Logistic Command in Korat, Thailand in March of 1969. This Command worked to support U.S. Army Special Forces training operations for the Royal Thai Army, engineering and construction efforts for air fields, tank farms and major highways in Thailand and a major deep water port. Active military assistance efforts with the Royal Thai Army were conducted in Thailand, Laos and Cambodia and along both sides of the Mekong River.

Tim became Platoon Sergeant and NCOIC for the 7th Maintenance Battalion-Technical Supply Company until his return to Ft. Lewis in 1970.

The most challenging aspect of service was operating outside regular supply channels and not directly receiving support from general pacific theater operations. This necessitated working in multiple disciplines and wearing many hats to overcome shortages of equipment, supplies and personnel.

Tim feels rewarded by his training and experience and work ethic he gained that helped him throughout his life. He highly values his Army Commendation Medal for his service, and went on to work in design construction management and facilities operations for schools and public works throughout Arizona. Tim and his wife, Carol, a retired nurse with the VA Hospital in Phoenix, enjoy their four children, ten grandchildren, and three great-grandchildren.

Veteran's Diary

Wearing my Vet ballcap as usual, an unknown-to-me woman approached me and thanked me for my service. She took an envelope from her purse and handed it to me. She walked away with a smile. I opened the envelope to find this unusual note and prayer inside. I was touched by the thoughtfulness of a stranger.

Pickleball Club News: *Paddle with a Purpose Event*

October was Breast Cancer Awareness Month and paddle maker Onix raises awareness as well as funds to support those afflicted by this terrible disease via life-changing research through a program called "Paddle with a Purpose." Through this program, Onix has provided pro players, like WV resident and Team Onix member, Sara Ash, with pink-colored Evoke Premier paddles and wristbands.

Sara joined forces with pickleball players at Westbrook Village to sell raffle tickets for a Paddle with a Purpose event to support of Breast Cancer Research. These raffle tickets were sold and then used to determine which three club players would have the opportunity to play in a Round Robin event with Sara and possibly win the coveted Pink Evoke Premier Paddle. One WV Pickleball Club member even offered to match all of the donations collected up to \$400. The event

L to R: Kelly Ladato, Sara Ash, Steve Merkovich and Lois Kumerow

was a huge success, and all agreed that there will be many future events to support this great effort.

Practice Better, Play Better

Almost every golfer I've met wishes they could play better golf. Some take that desire more seriously than others and you'll see them spending countless hours on the driving range. Many achieve

improvement, but many have a difficult time taking those improvements to the golf course.

Many might be familiar with legendary football coach, Vince Lombardi's, "practice doesn't make perfect, perfect practice makes perfect." I would adjust it so say that there is no need to be perfect, just productive.

On a daily basis, I recognize unproductive practice. The first example of unproductive practice would be a disproportionate amount of time spent on the range in comparison to time spent at the chipping and/or putting green. Range practice is important, but not at the expense of neglecting other parts of the game. Another form of unproductive practice would be to hit a majority of practice

shots without a specific target in mind. By picking a target for alignment, half the battle is won. Just remember, on the golf course both the direction and distance are key, and so they should be on the range as well.

The last example I'd like to point out is what I call the "scrape whack" method, which is of no value to one's game. This method involves dumping out the entire bucket of balls, then firmly planting feet into one location close enough to the pile in order to scrape a new ball into position to "whack," while the previous ball is still airborne.

I would suggest that every shot in practice is as important as a shot on the golf course. On the golf course we don't pick up the ball every time we get within 50 yards of the hole. We have a really clear idea of where we want the ball to go and whether we like it or not, there is a delay between each shot.

Mike Frye is the Director of Instruction at Westbrook Village Golf Club. If you want to improve your game, or are thinking of taking up the game, there is no better way than to take lessons. Give Mike a call at 623-566-4548 x 204.

WVA Treasurer's Report

For the month ended September 30, 2021

The following figures are subject to audit. However they fairly represent the approximate financial condition of the Association at month end.

GENERAL OPERATING FUND

(Funds designated for day-to-day operations.)

Cash and CD's on hand at the end of September was \$1.6 million. For the full year 2021 we are forecasting total revenue of \$2.84 million, of which approximately \$2.57 million will come from homeowner annual assessments. Budgeted expenses forecast for 2021 are \$2.75 million with an additional \$95,000 expected to transfer to our Reserve Fund. Through September our revenue is on track to meet forecast total of \$2.84 million. Expenses are also favorable to forecast with payroll and benefits and landscaping costs less than forecast through September. As we move into the final three months of the year we are trending towards a surplus budget for 2021.

REPLACEMENT RESERVE FUND

(Funds for major repairs / replacements / improvements)

Cash and CD's on hand at the end of September was \$3.7 million. In 2021 we are forecasting revenue of \$876,000. Revenue comes primarily from new homeowner preservation fees and \$95,000 transferred from the Operating Fund. Through September, we have already realized \$846,000 of revenue. Home sales have been greater than expected allowing us to nearly reach our budget with three months remaining in the year. Reserve fund expenditures budgeted for 2021 is \$952,000. Through September, we have spent \$337,000 of Reserve Fund cash with an additional \$250k to \$300k to be spent over the remainder of the year.

These financials will be on file at the WVA Administration Office after noon on Thursday Oct 28, 2021 and may be reviewed by Association members. Please call 623.561.0099 for an appointment.

City of Peoria Update:

POGO Destinations

I am excited to announce that the City of Peoria is launching POGO Destinations to connect residents to points of pride and destinations throughout our city. POGO Destinations is about discovering all of the wonderful aspects that our community has to offer, and creating opportunities for experiences and memories with family and friends.

POGO Destinations is not a typical bus route or public transit system. The new service offers specific stops to dining, entertainment, and parks and trails inside the borders of our community. POGO Destinations begins service on Friday, October 29, 2021, operating three preset routes on Fridays, Saturdays, and Sundays from approximately 9:30 a.m. – 10:30 p.m.

Peoria covers 179 square miles, and every inch of this city belongs to Peoria residents. We are home to top-rated amenities, chef-driven dining, and award-winning entertainment. Residents should have easy access to discover and explore all of the things that make our city great, which is exactly what this exciting new service is

about. Very few communities offer free transportation to local restaurants and entertainment, but as a citizen-centric community, I am proud of this unique opportunity for those who call Peoria home.

The circulator will offer residents the chance to put their car keys down and give their ride-sharing apps a break while they head out to enjoy our community. Families who live in the north can visit and share in points of interest in the south such as Second Saturdays in Old Town and unique eateries at Park West; and, residents who live in the south can visit areas north including the mountainous hiking paths. The route will reach destinations like our top-rated parks and trails, live theatre and event areas including the Peoria Sports Complex, and retail and dining at lifestyle shopping centers.

This is your city, Peoria. I hope you'll take a ride on POGO Destinations to experience your community. To view the routes and find a stop near you, visit www.peoriaaz.gov/pogo.

18 Hole Couples

Kay Hill, Barbara Brown, Barbara Corn, and Carol O'Brien enjoyed playing in Prescott

Rob and Kay Hill and Michael and Tona Echeita celebrate birdies on 7 and 12 at the Lakes

Some of the 18 Hole Couples group played in Prescott at the Prescott Golf Club and at Stone Ridge. It was a windy, cool couple of days and no great scores, but the camaraderie was great fun!

The club will enjoy its Christmas Party on December 3!

WV Memories of Holiday Wonder

The perks of WV Living can be felt community-wide this season. Celebrate with us a few memories shared here by some very grateful WV neighbors:

"After living in frozen Minnesota for 38 years, it's so exciting to enjoy the festive atmosphere and great weather with NO SNOW." ~ Dave Bettner

"My favorite memory is sitting in a candle lit service with beautiful Christmas trees sparkling in the darkened room and listening to someone sing "O Holy Night. It seemed the world stood still for a few minutes and God was near." ~ Jan Orphan Martinez

"My favorite WV holiday memory is 20 of us getting up Christmas morning, donning Santa hats, and heading to the Lakes golf course for 18 holes. My late husband thoroughly enjoyed sending photos to his brother in Canada."
~ Sharon Burton

Norma Apodaca's favorite WV holiday memory was with fellow Desert Dancers before the Christmas Concert a few years back. Pictured: Norma Apodaca, Linda Bassett, Peter Fetzer, Sandra Bacs, and Betty Ritzwoller.

Sharon Burton cherishes the memory of WV golf on Christmas morn

"It was Christmas Eve, 1960, in New Jersey – I was almost seven years old. While my Dad and I were out doing last minute Christmas errands, we stopped for a quick bite at a local eatery. Suddenly, I heard a big noise on the roof that was most certainly Santa Claus also stopping for a quick bite before making his way to my house! I can still feel the excitement when I think about it!" ~ Ivan L. Fortin

Always Remembered

Robert "Butch" Rasmussen

November 25, 1940 - October 18, 2021

Butch was an Arizona native and went to West High School in Phoenix, and Phoenix College, where he met Benay, his wife of 59 years. Butch served the Phoenix Police Department for several years and then embarked on a 30-year career with Allstate Insurance Company. Butch joined the Phoenix Jaycees in the late 1960's, where he was involved in putting on the Rodeo of Rodeos as well as many parades.

Butch lived a very full life, enjoying all it had to offer. An avid outdoorsman, he fished, golfed and gardened. If there was a rodeo or zoo nearby, he could be found there. He loved all sports and supported ASU and the Arizona teams most of all. He loved cooking, barbecuing and trying new recipes. Butch spent much of his time traveling. He loved spending time in Greer, Arizona, but also traveled across the U.S., and many

other countries. Butch was a family man. He was not only involved in his kids' activities as both a coach or spectator in their youth, but also loved watching his grandkids and great grandkids at their activities. Butch will be greatly missed by family and friends.

Butch was also very involved in his beloved WV community. Mike Greene, of the WVA Board, honored Butch with the following: "Butch Rasmussen was a terrific guy. He never hesitated to get involved to serve his community. Butch was a crucial part of the HOA's Landscape and Facilities Committee for many years. His knowledge of local plants and trees coupled with his thoughtful attention to details made his many contributions invaluable." Services were held on October 27, 2021 at Peace Lutheran Church in Peoria.

What's behind the '8' Ball?

Many WV residents may have yet to discover that there is a room specifically dedicated to the game of Billiards or Pool and available to all residents who wish to play. This room is located at the Lakes Recreation Center and contains two regulation 9-foot pool tables and necessary pool cues for playing the game.

There is a consideration to upgrade the room and add one additional 8-foot regulation pool table after the first of the year.

Dave Bettner is the current President of the Westbrook Village Pool Club, and he extends an invitation to all WV residents to stop by the Billiards Room and enjoy a game of pool. There is always a need for new players, and it truly doesn't matter if players are beginners or old pros. The club meets every Tuesday and Thursday evening from 6:00pm to 9:00pm, and there is no cost to join. Come relax in the casual environment and the fun of getting together, competing and playing a few games of '8' Ball.

Contact Dave Bettner at 623-866-8150 or email dbettner@yahoo.com. "We hope to see you soon!"

Veteran Gala Dinner Veterans Day 2021

WV Army Veterans stand to sing the Army service song

On a warm and sunny November 11, dozens of veterans and their spouses filed into the regal Lakes Ballroom for a dinner gala held in their honor. The WV Veterans Club worked tirelessly to bring the event together, and all who attended expressed gratitude and enjoyment.

The evening began with a call to colors by Bill Wolfe, and each of the military branches were represented as each flag was carried to and installed at the front of the ballroom. The Sandra Day O'Connor High School ROTC marched to the front for the national colors and the singing of the national anthem by Bill Wolfe. Former WVVC Chaplain, Jay Shawler, dedicated the event in prayer, and Randy Weiland sang the new anthem for the club he wrote called Veterans of Westbrook USA.

Veteran Club President Garry Horton and Ed Parker emceed the program. They presented checks to

both the Youth for Troops and Soldier's Best Friend, two organizations that work to make veterans' lives better in many ways. The many individuals and companies who financially made the dinner possible were also recognized and awarded beautiful plaques.

Linda and Michael Wright presented an intricate and beautiful rolling media presentation that included photos and bios of each WV Veteran; and following the delicious meal, each veteran was recognized individually.

The WV community is deeply grateful for the Veterans Club and the many ways it supports and celebrates our veterans!

Bottom Left: Veterans were honored by the Sandra Day O'Connor High School ROTC who displayed the flag colors and swords for the entrance to the ballroom.

Bottom Right: A huge thank you to Michael and Linda Wright, without which the beautiful dinner would not have been possible.

On Tuesday, October 26, 2021, the WV Posse was invited by the Elk's Club of Sun City to attend their yearly "Fire, Law & Order Night." This evening is where MCSO (Maricopa County Sheriff's Office), Tolleson PD & Fire, Surprise PD & Fire, City of Peoria PD & Fire and others recognize nominated candidates for their outstanding work during the past year.

This year, WV Posse posthumously nominated beloved 1st Lieutenant Bill Ghormley, who passed away on April 11, 2021. Bill was scheduled to be Commander McDade's successor as the 2022 Commander. Bill's contribution in help build the Posse back up in volunteer strength during COVID-19 event will always be remembered. Fae Ghormley, (his widow) was present at the ceremony to accept the award. Bill is dearly missed!

New Volunteer Recognized
