Editor's Message

March makes me think of fabulous weather, new shoes, and new opportunities. I also love how Westbrook Village comes even more alive as we enjoy our gorgeous spring temperatures. Our weather is truly why snowbirds from across the nation flock here! Check out all the outdoor club activities in this month's issue.

Lori Reiland

There are an incredible number of gifted artists here in Westbrook. Make sure you visit the fine Arts show on March 11 and 12 for a showcase of some of our amazing artists (page 20). Read a recap of the 2023 Fabulous Follies on page 19 and all about our featured artist, Carol Fuqua on page 21.

Our city has entered a new season with new leadership, and our new Mayor, Jason Beck, introduces himself to us on page 20. Make sure to also read how the Posse installed Commander Carneiro for a second year on page 27. Make sure and support this vital organization with donations and your volunteer efforts—it helps keep the community safe.

Don't forget to take note of daylight savings for out-of-state folks, so you can call your friends and family at the right hour (we in Arizona don't change our clocks like others do).

It brings out the Irish in me as we celebrate St. Patrick's Day festivities that pop up around town. Find out some tidbits about St. Patrick in our Inspirational Corner and make some Green Irish Soda Bread with the recipe from Chuy and Jan on page 18.

May your troubles be less

And your blessings be more

And may nothing but happiness

Come through your door.

Here's wishing you all the Irish blessings you can hold in your life!

INSPIRATIONAL CORNER:

Heroes and Their Holidays

Each March two heroes are celebrated. One hero helped transform a nation, and the other helped deliver a nation.

Patrick was enslaved as a youth and then was radically transformed by his newfound faith in Jesus. After his conversion, he devoted the rest of his life to spreading the gospel and speaking out vehemently against the slavery of his day. He wrote, *"I know for certain, that before I was brought low, I was like a stone lying deep in the mud. Then he who is powerful came and in his mercy pulled me out, and lifted me up and placed me on the very top of the wall. That is why I must shout aloud in return to the Lord for such great good deeds of his, here and now and forever..."* Patrick's prolific influence is famous for dramatically changing the socio-political and religious landscape of Ireland.

Around 900 years earlier, a young girl, Esther, lived with her Jewish family in Persia (known in modern times as Iran), exiled from the land of her forefathers. She yielded to become an instrument in delivering all the Jewish people living in Persia from certain demise.

After becoming queen under miraculous circumstances, Esther was made aware of an evil plot to exterminate all Persian Jews. At the last minute, before the occultists of that day could pull off the planned massacre, Esther convinced the king of this dastardly plot. The king secured victory over that evil, including the plotter, Haman (the king's top aid), who was "foisted on his own petard," which he had made to murder Jews.

Like Patrick, the burden of freeing her people was placed upon Esther. In Esther 4:14, her uncle charges her with the mission: "If you fail to speak up, relief and deliverance will come to God's people from a different direction. Who knows whether you didn't

The Rock of Cashel is housed in this fortress – where Patrick is said to have converted the king of Munster

come into your royal position precisely *for such a time as this.*"

Each of us can take inspiration from these heroes. Is there some way we have personally been called to speak out, to help, to stand up? We might not become a historical figure as our two heroes here, but we could have an important role that we have yet to come into.

Happy St. Patrick's Day, and in Hebrew, "chag Purim sameach (happy Purim)!"

Fun Facts About St. Patrick's Day

- ✿ The earliest known celebrations were held in the 17th century on March 17, marking the anniversary of the death of St. Patrick in the 5th century.
- ✿ There are more than 100 St. Patrick's Day parades held in the United States.
- ✿ In 1798 (the year of the Irish Rebellion) the color green became officially associated with St. Patrick's Day.
- ✿ There are two autobiographical writings by St. Patrick: Confessio and Letter to Coroticus.

Fun Facts About Purim

- A feast/holiday (March 6 and 7 this year) was instated to commemorate the dramatic deliverance recorded in the Old Testament book of Esther.
- Esther is the 17th book of the Old Testament in the Bible.
- A very rare book about Iranian Jews documents Esther's descendants (Esther's Children: Portrait of Iranian Jews)

Artificial Intelligence: ChatGPT and Education

The latest version of ChatGPT produces text that is so humanlike that educators have rung an alarm about how the model is being **misused** by students.

In response, some schools have outright banned ChatGPT. Others are testing out plagiarism tools designed to **statistically identify** the models' linguistic watermarks.

Advocates of ChatGPT maintain that this type of **artificial intelligence** (AI) is simply a more advanced version of a search engine (searchbot) and instead of banning its use, teachers should use ChatGPT to teach critical thinking and help students learn **how to use the tool ethically**.

The **Technology Club** is a group collective of tech users that are here to learn from each other and advance our knowledge and proficiency in technology. We are looking for **volunteers** that want to lead groups in all areas of Technology.

WV VETERAN TREASURE

**Chief Petty Officer Julie Thornton
AZC (AW/SW)**

JULIE THORNTON AZC (AW/SW)

Julie Thornton joined the U.S. Navy in July of 1994, hoping to serve for four years, and then get out and begin college on the GI bill. She remembers, "However, I decided to stay in for another tour, then another, then another. Once you hit ten years, it seems silly not to keep going!"

As a Chief Petty Officer, Julie served aboard several aircraft carriers, which included USS John C. Stennis, USS Abraham Lincoln, and USS Ronald Reagan. She was honored to participate in both Operation Iraqi Freedom, and Operation Enduring Freedom.

"I don't regret the time and sacrifice as I was able to see a larger world than I might have otherwise," she says. Julie lived in six different countries (Bermuda, Italy, Spain, Japan, Iraq and Afghanistan) and embrace the cultures and people in each. She adds, "I spent (cumulative) years out

WV Resident Julie Thornton

on the ocean and witnessed its fierceness. There's nothing quite like jumping off the aircraft carrier in the middle of the ocean for swim call or watching the fighter jets take off from the hanger deck."

Regarding the biggest challenge she faced during her service, Julie says, "The easy answer is missing your family. The time away is long, extensive and exhausting. It means years in between going home to your parents and siblings and still keeping the family ties tight."

On a deeper level, even in 1994, being a woman in the military provided extra hurdles. She explains, "However, it makes you so strong. I have never met a female chief petty officer or above who wasn't fierce, independent and able to get things done."

Julie treasures her medals and awards, which include the Defense Meritorious Service Medal, Afghanistan Campaign Medal, NATO Medal, Joint Service Commendation Medal, 2009 Shore Sailor of the Year HSL 51, (7) Navy and Marine Corps Achievement Medals, and the Iraqi Campaign Medal.

She moved to WV in March of 2020, and says, "My favorite thing is definitely the people! Every time I'm out and about in the community I meet someone new--It's awesome! I also love the feeling of safety with the Posse does a great job!"

We honor you, Julie Thornton, and thank you for your service to our country!

Four Feet

I have done mostly what most men do,
And pushed it out of my mind;
But I can't forget, if I wanted to,
Four-Foot trotting behind.

Day after day, the whole day through
Wherever my road inclined
Four-feet said, "I am coming with you!"
And trotted along behind.

Now I must go by some other round,
Which I shall never find
Somewhere that does not carry the sound
Of Four-Foot trotting behind. ~ Rudyard Kipling

Our hearts go out to Tanju and Elizabeth Bayamoglu, following the loss of their sweet Hercules

WV Lapidary and Beading Club

with Mary Doucette

Have you ever walked down the long hallway to see the lovely jewelry in the window of the Lapidary and Beading Room at the Lakes Center? Please do! It is filled with handmade, affordable, beautiful pieces.

The jewelry seen was created by members and is available for purchase.

'Don't know what *lapidary* means? It relates to stones and gems and the process of cutting and polishing them to create beautiful pieces for jewelry or for display. All the equipment needed to do this is available in the room.

If you have ever wanted to *bead*, but thought "I can't do that," think again. Barbara Bosworth, an excellent beading teacher, often teaches classes on Wednesday afternoons. Others members may

present and share their expertise. All members are willing to help each other as we try new stitches, discover new patterns and share our own designs. The studio is a very welcoming and friendly place, often filled with laughter. We all probably started out stringing beads for necklaces or bracelets, but all can advance from there.

Current beading projects include wire wrapping, metal clay, chain mail, leather bracelets and earrings, beaded Valentines, and Kumihimo—a traditional Japanese form of making braids and cords with beads added on a circular loom-like board that creates a beautiful flat or rounded cord.

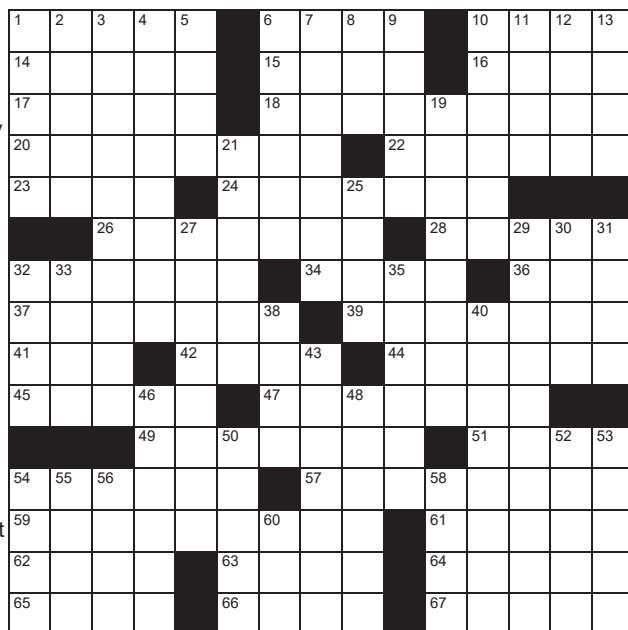

The club held an orientation on January 18, as there are many machines used in the process, and safety and correct use are the most important elements.

Come on by, introduce yourself, and see what everyone may be working on. There is open beading on Mondays and Fridays at 10:00 am, and classes are usually on Wednesday afternoon. Stop by to find out more about the lapidary schedule, and please plan to join the club and learn.

WVA Treasurer's Report

For the month ended December 31, 2022

"The following figures are subject to audit. However, they fairly represent the approximate financial condition of the Association at month end."

GENERAL OPERATING FUND

(Funds designated for day-to-day operations.)

Cash and CDs on hand at the end of December was \$4.2 million. For the full year 2022 we are forecasting total revenue of \$3.02 million, of which \$2.7 million will come from homeowner annual assessments. Budgeted expenses forecast for 2022 are \$2.76 million with an additional \$200,000 expected to transfer to our Reserve Fund. Through June our revenue and expenses are in line with forecast. However, we continue to monitor expenditures, and experience delays in deliverables, and longer lead times.

REPLACEMENT RESERVE FUND

(Funds for major repairs / replacements / improvements)

Cash and CDs on hand at the end of November was \$3.7 million. In 2022 we are forecasting revenue of \$973,000. Revenue comes primarily from new homeowner preservation fees and \$200,000 transferred from the Operating Fund. Reserve fund expenditures budgeted for 2022 is \$1.6 million. Expenditures are planned for total renovation of the Vistas Pool as well as perimeter wall repair and painting, roofing repair and flooring replacement in the Vistas. Other normal infrastructure repairs and replacement are also planned for 2022.

On October 25, 2022, The Board of Directors unanimously approved the proposed 2023 budget for both operational and reserve budgets submitted by the Budget Committee.

The Vistas pool project began June 1, 2022 and currently is on schedule. In addition, we are preparing to wrap up our budget for year end 2022 in preparation for 2023. This report reflects year-end 2022.

These financials will be on file at the WVA Administration Office after noon on Thursday, February 2, 2023, and may be reviewed by Association members. **Please call 623.561.0099 for an appointment.**

February's *Fabulous Follies*

Above: Fabulous Follies Cast and Crew

Once again the magnificent annual talent showcase extravaganza did not disappoint audiences! Co-directors Norma Apodaca, Bill Wolfe, and Nancy Connolly brought out the stellar best in the velvet voices and agile talent that assembled to perform.

After an overture of "Rondo" by Bill Chism on guitar and Nola Freed at the piano, PAC President and Follies Co-Director, Bill Wolfe opened the show and the Desert Dancers glided onto the stage to "Mr. Pinstrip Suit." Mark Mancell crooned "Tears in Heaven," and the Musicians Club gathered to sing the classic, "Story of Love." Act I Narrator, Jerry Connolly introduced each number, and Nola Freed's hands spanned the ivories to bring a beautiful rendition of "Malagueña."

Traci Mann danced and sang a captivating version of "Mr. Sandman," and James Borgmann brought a faithful rendition of Phantom's "Music of the Night." The Desert Dancers twirled to "Mr. Big Stuff," Sandra Bacs sang "Old Devil Moon," and masterful hoola hoop artist, Sushee Busby's "Puttin' on the Ritz" lit up the stage. Julie Wilson sang both "Dreams" and "Passionate Kisses," and the Lilac Crazy quartet belted out a medley from Chicago just before intermission.

Performing Arts Council Vice President Debbie Gibson, introduced Act II, and Cactus Charlie "saloon owner," Bill Wolfe, emcee'd from a classic saloon setting onstage.

Bill Chism's amazing talent on the guitar was showcased in numbers throughout the show, including a solo rendition of "Tequila. Mark Mancell's baritone voice serenaded the audience with "The Dance," and "Sugar Town," was beautifully sung by Susan Mohrlang. John Worden crooned to "I Should Have Been a Cowboy."

A duet of "You Ain't Woman Enough to Take My Man" was sung Sandra Bacs and Peggy William, and Linda Hofman and Shirley Hess rode in on "horses" to bring a humorous rendition of "Don't Fence Me In," Bill Wolfe sang crowd fave, "Friends in Low Places."

The audience also enjoyed how the Desert Dance skillfully took the stage to tunes like "Talking to the Moon," "Two Step," and "Country Girl."

The Fabulous Follies cast and crew is deeply grateful to all PAC Patron members and generous sponsors for sustaining the performing arts at Westbrook Village.

Fine Arts Featured Member Artist

by Carol Fuqua

Prior to living at Westbrook Village, I attended several community college and vocational art classes. These were instrumental in the development of my skill as an artist.

After I retired in 1996, my husband and I were searching for a location that would satisfy our love of golf and my love of art. Westbrook Village satisfied both and has been our second home since 1997.

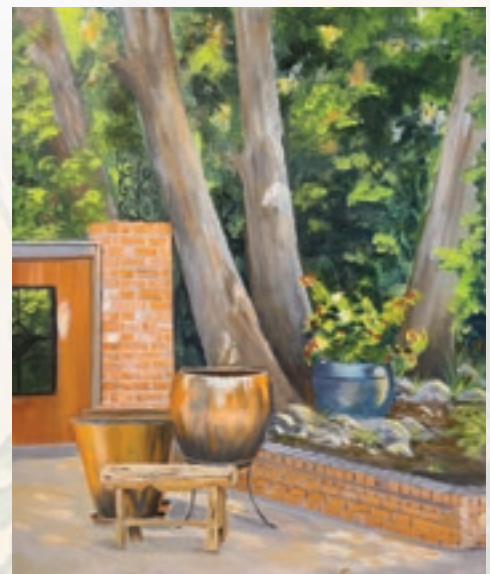

That same year, I joined WV Fine Arts Club, and at the time my medium of choice was watercolor. I enjoyed that for several years, and then about 10 years ago, I chose to expand my art skills and so became interested in acrylic painting. I had loved using the watercolor medium for floral painting, and so I carried that over into acrylics, along with landscape painting that features both the Pacific Northwest and Arizona.

Over the years I've refined my skill in acrylics through personal and online classes with Jerry Yarnell, and the numerous in-house demonstrations offered by professional artists through the WV Fine Arts Club. The club meets weekly, which gives member artists the opportunity to work with other artists to gain additional skills.

As a member of the club, I have been involved in organizing and participating in our annual Fine Arts Show. The show gives me the opportunity to showcase my work and be judged alongside my peers, and I have received several ribbons through the years for my paintings. My greatest accomplishment was being awarded "Best of Show" for one of my paintings at the 2008 WV Fine Arts Show.

Westbrook Village Posse 2023 Commander Installation Ceremony

On the evening of January 19, the Posse Color Guard presented the Colors and following the Pledge of Allegiance and Invocation, the Color Guard was dismissed and welcome remarks were given. Councilmember Patena spoke briefly about the high value placed on the Posse in this community, and WVA GM, Karen Jones, echoed that feeling by adding thoughts about the rich history the Posse has and the impact it has had through the years.

The Posse was honored to have Peoria Deputy Chief of Police, Marcel Spaulding, swear in this year's Commander for a second term, Bob Carneiro. Congratulations, Commander Bob!

Presentations were then made by Past Commander Melinda Tyrrell, awarding the Patrol Deputy of the Year to Cathy Cox and the Dispatcher of the Year award to Toni Papin. Congratulations, ladies!

Those attending enjoyed cake and refreshments, along with M&M's embossed with the Posse emblem, courtesy of tirelessly devoted Posse Past Commander, Melinda Tyrrell!

Tennis Anyone?

Left to right: Steve Blauvelt, Ned Blauvelt, Bill Miller and Bill Naturkach

An Under40 Foursome braved the less than 40F degree weather on a chilly early January morning to play some tennis at WV. While Ned shared her tennis knowledge during play regarding certain strokes and swings by others, the wise Mr. Miller only rarely braved an alternative opinion of his views of play. Everyone had a great time as the sun continued to shine and drew others to join in. All are welcome to join mixed foursome social play every Monday, Wednesday and Friday mornings.

Find "Westbrook Will" in an Ad for a Chance to Win

\$20!

*Winners will be contacted by phone and announced in future issues of WV Living. Prizes will be mailed to winners. Limit one (1) entry per household.

Winner is Selected Each Month!

Once you find Westbrook Will, send Entries to Westbrook Village Living Magazine, 8715 W. Union Hills Drive, Suite 108, Peoria, AZ 85382

Include your Name, Address, Phone Number, and state which Ad contains Westbrook Will.

Every month, one (1) winning entry will be drawn from all correct entries received for that month.

"Actual Size"

Congratulations to Nancy Kwiatak for winning the draw! Nancy correctly identified where Westbrook Will was hidden in the February 2023 issue on page 25 in Leslie Rae Howard's Re/Max Professionals ad. Nancy's entry was drawn from many who sent theirs in, and she will be receiving \$20 as the winner! Thank you for participating!

The challenge in this issue is to find our mascot, **Westbrook Will and his pooch, Lulu!** He is quite a likable fellow, and will appear in these pages somewhere (shhh, we cannot give any clues). Once you find the pair in one of the ADS in this issue (March), please jot down the location and your name and address on a 3" x 5" card, and postmark your entry by March 11, 2023, so you can be included in the draw for the cash prize! One entry per household, please!
