

**APPROVED January 12, 2024**  
**Cornerstone Committee Minutes**  
**Wednesday, November 15, 2023**  
**10:00AM – The Links Grill**

**Homeowner and Member Comments**—None were made.

**Confirm Quorum**—several committee members were absent because of the police emergency occurring at this time.

**Correction and Approval of Minutes from October 27, 2023 meeting was postponed until next month.**

**Unfinished/Old Business – The meeting was conducted by Marcy Reneau. She sent these notes below....**

Westbrook Commons Update – The grant submitted to the City and the Maintenance staff will be installing the remaining art elements in the garden.

Bingo – We are all for doing the raffle at Bingo in January. It was the opinion of the group that we need to advertise that we are going to be there and what we are raffling and our cost. That way people will come with extra money. This should be well attended as it is Jackpot night with the top prize, I believe Karen said was \$1,000.00. Lois and I would be willing to sit at the table. Maybe put the leftover if any boxes of cards out too.

Papa Murphy – It appears we are back on with Papa Murphy's. Mike did report that he reached out to the owner of Grande and has not heard back from him.

Next meeting – We were all fine with having the next meeting in January and not one in December.

Homework before the next meeting was to do some research on potential fundraising ideas.

Some additional items that we talked about: I discussed that Karen mentioned at rec meeting about the potential holiday lighting the Pine tree in the Commons. The potato bar was brought back up again. The November Culver's fundraiser donated \$133.12 to our efforts.

**Adjourn** – Next Meeting Wednesday, **Jan 15, at 10:00AM, at the Links.** Committee members prefer that meeting venue.
