Editor's Message

This is the season to celebrate our Veterans, play numerous rounds of golf, eat some wonderful home cooking and be grateful for our abundance on Thanksgiving! The glorious November weather outshines that of many other places around the country, and this is the time we yearn for every year as our snowbirds return to enjoy the Arizona sunshine.

After reading Sandra Evan's book review of *Thanksgiving Recipes* on page 5, we might be inspired to try a few new recipes this year. Check out some interesting history of our state's first official Thanksgiving back in 1894, when it was just a territory (page 6).

Don't miss reading about Veteran Bob Bean's adventures inside submarines during his service to our country on page 8. I never tire of learning how each of our veterans gave of their lives to serve. We are truly grateful to them and the families they represent, who gave them up for those years. The list of our WV veterans on page 12 and 13 is a fitting reminder of how many made that sacrifice and are numbered in our midst. We thank you and honor you this month, and look

Lori Reiland

forward to doing so in person at this year's Annual Veterans Ball on Thursday, November 7 (see details on page 26).

Read about Nancy Troupe and her expert hand with the paint brush, and then turn to page 32 to read about WV's own Carolina Girl, Meg Morgan, an expert at clothing alterations. I always take my favorite clothes to Meg when I have dropped a few pounds (or found them). She does an amazing job!

All of the clubs have revved their engines for this busy season, so there is lots to take in here-- don't skip a page!

Have a wonderful Veterans Day and a blessed Thanksgiving! Invite a neighbor to join the feast or greet them as you walk to the mailbox---the weather is perfect!

INSPIRATIONAL CORNER: God Enriches

In November of 1894 a proclamation was issued by then Governor of the Arizona Territory, Louis Hughes. Arizona had officially become a U.S. Territory 31 years prior (1863). Hughes had arrived at this moment, having grown up as an orphan in Pennsylvania and served as an "indentured servant" to a farmer until age 16. He enlisted as an abolitionist in the Union Army at the outset of the Civil War, attended seminary and college, and as a lawyer moved to Arizona with his wife, Josephine.

Governor Hughes served as territorial governor from 1893 to 1896, and was considered a "highly principled reformer." One biographer described him as "one of the few governors who helped clean up Arizona and prepare it for statehood."

This proclamation heralds a grateful cry during the Thanksgiving season 130 years ago:

Historic Thanksgiving Proclamation in Our State

1894 Thanksgiving Proclamation Territory of Arizona

Phoenix, Sunday, November 11, 1894

"To the People of the Territory of Arizona, Greeting:

Recognizing the manifold blessings of a kind Providence during the past year, and in accordance with a revered custom of the American people, and in conformity with the proclamation of the President of the United States, I do hereby appoint Thursday, November 29, 1894, a day of Thanksgiving and Prayer to be observed by the people throughout the Territory.

Truly the hearts of patriots ought to be filled with gratitude and thanksgiving when we consider the outcome of the threatening events of the past year, which demonstrate that the principles of our government when in the keeping of wise and courageous hands are sufficient to meet and overcome the greatest danger which may menace the integrity or perpetuity of the Republic.

Since the people of our Territory have been especially favored with more than ordinary peace, plenty and prosperity, and the absence of want and distress in its many forms, let us with grateful hearts cease from all business pursuits on that day and with one accord 'Give thanks unto the Lord for His merciful kindness to the children of all men.'"

Indeed, early leadership of our state surely saw ahead to the blessing it would be to many throughout its colorful history. The motto for the seal of the Territory of Arizona was emblazoned with "Ditat Deus," or "God Enriches."

Happy Thanksgiving, Arizona!

Ref. Arizona State Library, Archives and Public Records - *God in the Foundations of Arizona Government*, W. Guy Chadwick, pp. 65-66

Above: The motto for the state seal chosen in 1911 was, *ditat deus*, which means "God enriches."

WW VETERAN TREASURE

ROBERT (BOB) BEAN

I grew up in a small town in Vermont with few opportunities. In 1979, I joined the Navy after high school to be a dispersing clerk (accountant). I was persuaded to join the nuclear program as an electrician, which was a life-altering change that landed me in Orlando Florida for Nuclear Power School and Nuclear Prototype School in Windsor, Connecticut and the Nuclear Prototype School in Pearl Harbor, Hawaii. I gained in-depth nuclear operation knowledge, electrician skills, and leadership knowledge. This led me to my next assignment on the USS Omaha SSN 692 (fast attack submarine) as an electrician, where I found that with every piece of equipment I worked on, from nuclear pumps to toasters. I got to know everyone well--especially the cooks, who loved to break stuff. The cooks would knead bread dough in the mixer until the fuses blew and then they would know the dough was ready!

Fast forward past two Western Pacific deployments and my leaving the Navy as an E6 to where I am today. I am most grateful for the many close friendships that have continued throughout the years to the present. Everything I learned in the Navy has been applicable to many of the things I have done in my life.

The most challenging part of the service for me was long deployments under the ocean, but I got to see a lot of great places when we surfaced. Another difficulty was that they allowed smoking on the submarine, and I was not a smoker. Another favorite adventure occurred when the submarine was "depth charged" by our own people to see what would happen. There was a lot of shaking going on!

I feel honored to have received a Unit Citation award and two commendations for my Western Pacific deployments.

After my service concluded in 1985, I was hired by Arizona Public Service (APS) as a Nuclear Operator. I became a Reactor Operator and over my 33 years at APS and the parent company Pinnacle West, I had many roles, including Director of Operations and Director of Finance. My last position before retiring was the Manager of Commercial Generation Interconnection.

My wife, Lorrie, and I purchased a home in Westbrook Village in May of 2023, gutted it and completed the remodel by October 2023.

We love Westbrook Village because the community is beautiful, well managed, and there are so many activities, from concerts to golf and pickle ball. We love having great neighbors and wonderful community participation.

We honor you, Bob Bean, and are grateful for your service to our country!

September was a crazy, busy month! We received 70 requests for help from 15 different residents, taken care of by 14 volunteers. Marla Putnam and Allen McCracken were our outstanding volunteers. Thanks to our incredible volunteers - all receive praises from those they help.

Welcome to our newest volunteer, Kjersten Merila, a winter visitor from Minnesota from September to May; she is excited to join us and looks forward to helping people.

Since it's the time many people return and new people move in, we would like to remind everyone what Helping Hands does. We primarily provide rides to medical appointments and rides to grocery shopping or shopping for them. A few of our volunteers are able to do minor handyman work such as filters and lightbulbs. If you attend the Caregivers Support Group, we can provide respite sitting while you attend the weekly meetings. Helping Hands also does phone call check-ins, known as "Phone Pals." We can visit by phone or in person.

We help following a surgery, illness, accident or temporary need. But, we don't provide caregiving, such as personal hygiene, meal prep, or any type of medical assistance. Some situations turn into ongoing help, on a case by case basis, such as terminal illness. Another popular service is our medical equipment lending closet, housed at the Vista's Rec Center. Wheelchairs, transport chairs, wheeled and standup walkers, knee scooters, shower chairs, canes, and crutches are available to residents - free for up to 60 days. Wheeled equipment requires a deposit of \$100, check only. Deposit fully refunded when equipment is returned on time.

We don't do lifting, bathing or personal care, but have a resource list for those services, including home health care, meals and assisted living locators. The ads in the back of this magazine are a great place to find service providers, or call Roz for more information.

If someone falls, ALWAYS call 911!

Mike Greene was an avid golfer and loved playing at WV

Always Remembered

Michael B. Greene

Michael Bader Greene, 81, passed away peacefully on September 11 at his home in Westbrook Village. A native New Yorker, Michael was a natural-born leader, a devoted family man, astute businessman, an avid golfer, a Veteran, and simply the kindest, nicest human being. Michael graduated from Colgate University class of '65 and went on to serve in the National Guard for five years at Fort Drum,

led to him having his own 5th grade class.

Inspired by his love of golf (and not a fan of winter), Michael became a snowbird at WV in 1998 and a permanent WV resident in 2005. His leadership skills came to the fore as president of the WV Golf Club for three years, as president of the HOA Board of Directors and as Director of Personnel and Director of Landscape and Facilities. He was instrumental in expanding the WV pickleball courts and facilities. His love for Westbrook Village was embodied in his efforts to make it a wonderful place for all who lived here. He truly loved Westbrook Village.

One of Michael's crowning achievements was his hole in one on #16 at the Vistas in 2010. Besides playing golf, he learned to play bridge, loved eating out and serving on various committees.

Michael is survived by his wife JoAnn of 32 years, a former classmate whom he re-met at their 30th high school reunion; his sons Christopher and daughter-in-law Liz of Denver, CO; his son Stephen and daughter-in-law Susan of Acton, MA and the lights of his life: his four grandchildren, Fiona, Nora, Kaelyn, and Declan. A celebration of life will be held in the spring.

New York. He worked in management positions at AT&T for 34 years and was instrumental in creating phone stores on the East Coast.

After retiring in 1997, he was a consultant for Canadian phone centers for two years. Never one to be idle, Michael pursued a second career after retiring from the telecom industry. He began substitute teaching in Lexington, Massachusetts, which

We honor your memory, Michael Greene, and thank you for your service to our community and to our country.

WVA Treasurer's Report

For the month ending August 31, 2024

"The following figures are subject to audit. However, they fairly represent the approximate financial condition of the Association at month end."

GENERAL OPERATING FUND

(Funds designated for day-to-day operations.)

Cash and CDs on hand at the end of August was \$2.3 million. For the full year 2024 we are forecasting total revenue of \$3.3 million, of which \$3.0 million will come from homeowner annual assessments. Budgeted expenses forecast for 2024 is \$3.3 million with \$125,000 expected to transfer to our Reserve Fund. Through August, our revenue and expenses are in line with our forecast. However, we continue to monitor expenditures, and experience higher pricing in products, labor, and availability. In addition, there remains a large "unknown" as to what may lie ahead with regards to home resales, interest rates and the overall economy in 2024.

REPLACEMENT RESERVE FUND

(Funds for major repairs / replacements / improvements)

Cash and CDs on hand at the end of August was \$4.3 million. In 2024 we are forecasting revenue of \$782,000. Revenue comes primarily from new homeowner preservation fees of \$633,000.

The 2024 reserve budget includes a transferred revenue of \$125,000 from the operating budget and projected interest of approximately \$24,000. Through August, interest revenue earned is approximately \$65,400 which exceeds our projected budgeted amount of \$24,000.

Reserve fund expenditures budgeted for 2024 is \$1,142,250. Ongoing expenditures remain planned for perimeter wall repair and painting, Lakes Complex Asphalt replacement, and the Fitness Center Architect. Other normal infrastructure repairs and replacement and expenditures will be addressed as needed.

These financials will be on file at the WVA Administration Office after noon on Thursday, October 3, 2024. The August Treasurers Report will be approved at the October 2 Board of Directors meeting and available the following day. **Should you have any questions, please call 623 561-0099 for an appointment.**

WV Fine Arts Featured Member Artist Nancy Troupe

Since I have been painting since the 1960's, my style and preferences have changed a lot through the years. I started out in oils, but now use acrylics most of the time. My style these days is looser, whereas before I used to be quite realistic, favoring some of the older classical styles. And I still love and admire that style, but have become more impressionistic and colorful over time. I have enjoyed painting African animals and landscapes focusing on elephants, and I have done many portraits and pet commissions, and I have never lost my love for landscapes. Deserts, mountains, villages, forests, hiking trails--I love it all. I work a lot from my own photos, but also pull reference material from random sources and change it up to suit my taste.

I used to belong to several art leagues around the Phoenix area. I served on the board of the AZ Art Alliance for over 10 years, and worked closely with the various leagues that the Alliance served. Since then, I stepped away from the public art world and now focus on building my own business and teaching schedule.

In 2023 I joined Westbrook Village Fine Arts Association as a Guest Member and am thrilled to be able to show again and be part of an art league. I currently teach acrylics at WV on Tuesday mornings from 9:00am-12:00pm. A sign-up sheet hangs on the bulletin board there.

I think creating art is a wonderful stimulant for the brain and also a de-stressor. It helps to balance our brain. No matter your style or favorite subject matter, when you are creatively doing what you love, you are living a healthy and happy life.

I own a business called Gimme A Paintbrush, Troupe LLC. I occasionally do commission work and book illustrations, but my main focus is teaching acrylic painting. That is my passion and it's so much fun for me. I may be teaching in an art club setting, or at a sip and paint party event, but the teaching process still comes through, whether it's for art skill improvement, or just a fun night out.

City of Peoria:

Mayor Jason Beck

What a great way to usher in fall, with the exciting news that new P83 Dining District is officially open!

This \$20 million project brings three much-requested and anticipated restaurants to make their West Valley debut. We are proud to welcome **Postino WineCafe**, along with two Fox Restaurant Concept favorites: **North Italia** and **Blanco Cocina + Cantina**.

North Italia and Blanco Cocina + Cantina opened in October, with Postino WineCafe set to kick off the new year with its grand opening! All three restaurants feature large outdoor patios, offering a quality dining experience centered around a carefully designed two-

acre park. This park will host year-round events and serve as a central gathering space for our community, located adjacent to the Peoria Sports Complex.

Mayor Jason Beck

This project has been designed as a community hub with the goal of providing Peoria residents with upscale dining options closer to home. Delivering on these amenities is part of a broader effort to reduce drive times and provide residents with more high-quality and local dining options. With ample parking, beautiful landscaping, and spaces for gathering, the energy of the P83 Dining District will make it a very exciting and welcome addition for our city.

I encourage all residents to visit North Italia and Blanco Cocina + Cantina, and to look forward to Postino's debut in January. This is an exciting time for our city, and I can't wait for all that is still to come!

Mayor Jason Beck

Thank you to WVA's very own Shelley Eichner for sending in her amazing photo of this owl perched atop the flag.

SOS – WE NEED YOUR HELP!

The bad news is that virtually no volunteers have come forward to aid in the leadership for the future. We understand that many families have been traveling for the summer, however fall is a good time to regroup for the coming year. The reality is that no organization can exist without a leader to take charge.

The priority position of **PRESIDENT** will be vacated at the end of December. Two other openings soon to be vacated are **SECRETARY** and **MAGAZINE ARTICLE COORDINATOR**. It has also been acknowledged that there is a need for a **TECH TALK COORDINATOR**. These integral positions are crucial for the Club's continuance. (Surely, in a community of 3,910 residential households, there are a few individuals who would enjoy working with an outstanding group of professionals already on Board.) We really need your help! Please take a moment to look at the position descriptions on our website and come to the rescue.

****Please be advised that the WBVTC will be disbanded in January 2025 if no one steps forward to volunteer for the President's position.****

TECH TALK – PLEASE NOTE: THERE IS A CHANGE OF VENUE FOR NOVEMBER'S TECH TALK.

The presentation will take place in our **CLASSROOM CR1 at the LAKES REC CENTER on Thursday, November 7 at 6 pm.** (Not the main Ballroom!)

There is an abundance of potential subjects to bring to you this season. The problem is not finding items of interest, but how to slim down the field so that we can bring you the most vital and interesting subjects for this point in time. And November won't disappoint – Matt Barthelme has taken center stage to acquaint you with the options you have if you want to cut your Cable TV Cord.

"Exploring Streaming Services" In this session, Matt will explore the world of streaming services like Netflix, Disney+, FuboTV, Hulu, and more, discussing how they work and what they offer. He will also dive into the pros and cons of "cutting the cord" and moving away from traditional cable TV. Whether you're curious about saving money or just want to enjoy more flexible options for watching your favorite shows, this presentation will help you make an informed decision.

Bring your questions and a notepad with you. Light refreshments will be served, and our ever-popular Gift Drawing will still be on the Agenda.

WINDOWS WORLD, APPLE WORKSHOPS and MASTERMIND MEETUPS – We are also pleased to announce that John Ellsworth will be returning with a full slate of new and interesting topics for **Windows World**, and Pat Williamson is assembling her monthly **Apple Bytes Workshops** for APPLE followers. And yes, Tanju Bayramoglu

is busy scheduling his monthly **Mastermind Meetups**. Announcements will be sent to members and also posted by flyers at the Rec Centers and on our website. (Note that you can also subscribe to our Calendar on the Website.)

MEMBERSHIP DATA The Lab will be accessible to all WBVTC Members (just check out the key). Remember to have your membership badge and WBV ID card to gain access to the room! The process has started for all 2025 new and renewal members, wherein an updated Application and Release & Indemnification Waiver will be required for membership.

Don't forget that you can send emails to wvcc@live.com and messages or comments to our phone: (623) 226-8120.

We especially value your input on leadership positions, and presenters or instructors who would be amenable to working with us.

LET'S PLAN AND CREATE THE BEST TECH CLUB YEAR EVER!!

The action starts with our NOVEMBER Lineup and YOU, as part of our Leadership!

The Club is a group of tech users that learn from each other and advance our knowledge and proficiency in technology. We appreciate all volunteers from all areas of technology. Bring us your ideas and talents. ** Dues are waived for 2025. (Applications are available at the Rec Centers or printed from our new website as listed above.)

- We accept all desktop and laptop computers with Windows 7 and newer OS systems to be refurbished for needy school children. No printers please. Drop off at the front desk of the Lakes Rec Center. (See website <https://wbvtc.org> for further details.)
- We are **NOT** a tech-support group and cannot provide specific tech support, setup assistance or in-home device support.

NEEDLE ARTS AND CRAFTS CLUB

The Needle Arts and Crafts club provides its members a creative outlet, a time of comradery, and raises money for local charities. Come and join, bringing whatever craft you choose to do.

Mark Your Calendars – Save the Date

November 16 - The WV Craft Fair is always a big event! Needle Arts and Crafts will have many beautiful items for purchase. Just check out some of the items. Proceeds from our sales go to local charities, sometimes in the form of cash donations and sometimes as items we create that they request. This year's event will be held Saturday, November 16 at the Vistas Rec Center Ballroom, and we hope to see you there. We will also have many more items in our Needle Arts and Crafts studio. A free raffle will be held for a 54" X 38" quilt just for visiting us in our studio.

Thank You for Your Donations The Club would like to thank all WV residents who donate supplies for club use. Your donations are put to very good use when we donate every year to local organizations who serve our community. Please contact Linda Gierescher, our club President, to determine if your item can be used and how to arrange for drop-off at the NAAC studio.

Come Join Us! Come be a part of this fun group regardless of the craft you enjoy.

WV Woodshop News

The WV Woodshop remains a beloved go-to for so many creative and resourceful community residents! Because of this, the WVA upgraded the ventilation and breathing safety, so that it can remain a functional and healthy workshop. This entailed replacing the 35-year old wood dust removal system and also adding an air filtration system, making it a greatly improved environment in which to work. Thank you, WVA!!!

For maintaining the everyday needs of the shop, **aluminum can donations** are heavily relied upon. So please round up your soda cans of every kind and drop them off in the special dumpster located **south of the woodshop** in the Lakes complex at 19251 N. Westbrook Parkway, right next to the brand new horseshoe pits and corn hole game!

18 Hole Ladies

In one of the club's summer golf outings, fourteen of our ladies ventured up to Wickenburg last month to play in a LASSI (Ladies Arizona Summer Sizzling Invitational) at Los Caballeros Golf Club, a two-person best net tournament. We had 7 teams compete, and all had wonderful fun, enjoying the great conditions of the course. Four of our teams even won or placed in their flights! Karen Hagan and June Farr tied for 1st place in 3rd Flight, Pam Sprosty and Bev McKillip won 2nd in 2nd Flight, and Sue Wilcox and Peggy Potter won 3rd in 2nd flight. Karen Crisp and Diane Ramage won 1st in 1st Flight.

We are pleased to welcome back our cool-weather-seeking members, returning this month! If you are not a member of our 18 Hole Ladies League and want more information, please contact our **President, Pam Sprosty** at psprosty1973@gmail.com.

Life is Too Short TO WEAR BORING CLOTHES!

Meg's jovial light-hearted Southern approach makes a tough alteration job seem easy

"I have not been able to wear this again after my weight change," or "I am shorter now, so it no longer fits!" These are common complaints Meg Morgan hears from her clients who bring their favorite but unwearable clothing items to her WV alterations studio for the expert alterations she provides. "You can have beautiful garments hanging in your closet, but it is so sad if you are not able to wear them—you spent good money on something you chose for yourself," she explains empathetically.

Not to worry, Meg's southern drawl and low key approach puts any clothes horse at ease. After 50 years of pinning, hemming, tucking, and "letting out," she knows a thing or two about how to get it done right. Wives bring their reluctant husbands from all over the Valley to find a way to wear those elegant trousers once again. A beloved jacket is made to fit, or a new pair of pants is shortened, and everyone leaves happy.

The South Carolina native started her career decades ago, when friends who owned a men's shop begged her to bring her sewing skills to tailor for their customers. "We do NOT want to send clothes to the dry cleaners for alterations; we need you to do it!" they insisted. Following several years in that capacity, Meg's family moved to Yakima, Washington, where she enjoyed a 6-year foray into the real estate industry.

A people-person and also someone who loves to work with her hands, Meg did well, and ended up back in front of the sewing machine once again in Sammamish, Washington. Upon moving to Arizona. She had not been here long before a Dillard's employee handed out Meg's business cards, which brought an avalanche of alterations clients. Thus began a new season for her, and she named her new company Custom Wardrobe Alterations.

In a world where jeans never fit right anymore and clothing size labels no longer make sense, Meg happily makes meticulous adjustments to all kinds of apparel. Her friendly warmth and wall of colored thread speak of a life and living well-loved and of a community gem right here among us!

Fabulous Follies Forecast

For more than 25 years, WV residents and the surrounding community have enjoyed the annual *Fabulous Follies* variety show. Featuring a cast of singers, dancers, comedians, instrumentalists, and other performers, there is something for every entertainment taste. The first performance was in 1999 as the *Star-Spangled Follies* and was staged by the Desert Dancers and the Cactus Country Chorus. Later it was known as the *Village Follies*. Over the years it has grown from a simple community talent show to a full-fledged entertainment production.

The planning process is a year-round activity and involves a committee that handles the many elements. If you have a performing talent and would like to be part of the *Fabulous*

Follies, please contact one of the co-directors for more information and arrange to be part of the annual act preview session: Norma Apodaca at aporana@myyahoo.com or Nancy Connolly at gnconn@cox.net.

The 2025 *Fabulous Follies* is scheduled for January 31, February 1, and February 2 in the Vistas Ballroom and promises to continue the tradition of providing a quality evening of entertainment at WV. Tickets go on sale to PAC Patron members on December 10 and to the public on December 17 and can be purchased online at westbrookvillagepac.com. Highlights of the 2024 Follies can be found on YouTube at <https://youtu.be/FIKTFlsL-jA>.

Our winter neighbors are returning, and it is an exciting season for the Village—it is a special season for your Posse Too. In celebration of turning 25 years this coming year, the Posse Fest on November 3 will be held in the Vistas parking lot (11 am – 3 pm). This free event will feature speeches from Peoria Mayor Jason Beck and Peoria Police Chief Thomas Intrieri, and there will also be food and entertainment. The Posse fest is a free event for all WV residents.

Here are other highlights to look forward to at the Posse Fest:

- Giveaways and Free Raffle tickets for tons of prizes!
- Free food and refreshments provided by The Links Grill and the Posse
- The Area Agency on Aging will give a presentation on Medicare fraud and app to prevent
- Nancy Juarez from the AZ Attorney General's Office will

present on the topics of elder abuse and consumer fraud protection

- The Peoria Police S.A.L.T. Program (Seniors And Law Enforcement Together) will present on senior safety
- Nancy Krueder from AZ Dept. of Game and Fish will present on safety related to local wildlife
- Puppy Luv of Phoenix and Paw Promise Animal Rescue will bring dogs and cats for adoption

Current Neighborhood Issues:

The Posse encounters significant safety issue, which is trash on sidewalks and rock areas. While the landscaping workers do a stellar job at keeping our neighborhood clear and open, trash can prevent passage by our neighbors, making it a safety issue (especially at night). If you see these trash hazards; kick them to the side. If you notice other hazards, like water geysers or blocked passageways, please notify the HOA or call us at the Posse if safety cones or lights are needed.

Consider joining the Posse! We need patrol deputies, dispatchers and anyone who just wants to help out with administration. You would look good in uniform!
