Editor's Message

"We light candles in testament that faith makes miracles possible."

~ Nachum Braverman

"Gifts of time and love are surely the basic ingredients of a truly merry Christmas."

~ Peg Bracken

Lori Reiland

Looking Back on 2025

As December arrives, it is almost hard to believe that the year is almost over. Time seems to have flown by, and 2025 has passed in the blink of an eye. The holiday season offers us a chance to pause and reflect on the months behind us, cherishing the moments and connections that have made this year memorable.

December in Westbrook Village is full of celebrations, with get-togethers for the various clubs and so many options to spend time with friends and family. The calendar is almost full already, and, during the holiday season, there are more things to do than time will allow. I must remind myself to slow down and savor the little moments during this season of love-- this is my wish for you all too--Precious moments with your loved ones.

On page 9, read about the meaning behind the Festival of Lights, Hanukkah, and the warm traditions of our Jewish friends. I love the fact that this miracle is still remembered and celebrated throughout the world. Speaking of lights, take the time to drive through Westbrook and see some of the stunning light displays each neighborhood puts together. This is truly a community effort! Read about Fairway Ridge's luminarias on Christmas Eve on page 34 and, if you can, take a drive over and see them.

Get into the Christmas spirit on page 31, with an original poem about Christmas in Westbrook Village. I must agree that we don't miss the snow!

As always, this issue is packed with talented artists, tons of

things to do and an activity calendar to help you plan your days.

Merry Christmas, Happy Hanukkah and may you have a New Year that sees all of your dreams come true.

WV Veteran Ed Parker Honored in Peoria

On Veterans Day this year, Ed Parker was honored by the City of Peoria with a ceremony to unveil the veterans added to the City's Veteran Honor Wall, located at Rio Vista Veteran Memorial site. The Honor Wall pays tribute to Peoria veterans for the sacrifices they have made to protect our country, ideals, and virtues. Each honor space includes the veteran's name, rank, branch and service years.

It serves as a lasting legacy and is punctuated by an inscription on the other side of the wall that bears this quote, "Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and success of freedom." – John F. Kennedy, 1961 Inaugural Address.

Ed Parker enlisted in the Air Force in 1965, and trained at San Antonio Air Force Base in Texas. He was then sent to the 1st Air Commandos in Louisiana at England AFB, where he served as crew chief

repairing and maintaining aircraft, such as the AB26, a first-line bomber used in three wars. In November of 1967, Ed was deployed to Vietnam to work as an aircraft flight engineer, assisting with EC47's and other aircraft needed by the Electronic Airforce Squadron. As a jack-of-all trades, Ed managed aircraft engine and control systems and all types of aerospace maintenance for the Air Force.

Ed is proud to have served in every Vietnam War theater – Laos, Cambodia, Thailand, and Vietnam and moved between all four "Corps," as the 4 military regional commands in Vietnam were called. Finishing his military career as a Staff Sergeant, Ed successfully avoided injury and went on to receive the coveted Distinguished Flying Cross and 4 Air Force Air Medals.

After serving our country, Ed moved to Kansas City Kansas and spent his civilian career in fiber design engineer. He and his wife of 55 years, Karla, moved to WV in July 2017, and found the nicest people and the friendliest community they'd ever known. They both feel they have found Nirvana!

Thank you, Ed Parker, for your service to our nation!

Lapidary and Beading Club News

with Nita Lywandowsky

The Lapidary Club has been in existence more than 25 years. If you are not familiar with the term "Lapidary," it is the art and practice of cutting, grinding, polishing gemstones, minerals, and stones into decorative items, like cabochons or faceted gems. We added the Beading component in 2011, because we also make jewelry. Other possibilities include creating beautiful unique objects like, handbags, ornaments, flowers, napkin rings, vases, coasters, anything that is tubular and more? Today, we are known as the Lapidary/Beading Art Studio and are located at the Lakes Recreational Center.

Making things is not the only benefit of Lapidary and Beading, however. We exercise our fine motor skills, eye-hand coordination, and cognitive skills to plan and execute the designs, and laugh a lot! Lunches, potlucks, restaurant outings, and "road trips" are often on the agenda, giving our club a calming and satisfying rhythm throughout the year.

We are a lively community of men and women that hope to encourage, inspire, and tutor the creative arts of lapidary and beadwork. While many members are highly creative and skilled designers, we share a passion to spread the knowledge forward with beginners. Items pictured here and those available for sale in our studio all started with someone who was a beginner!

Classes are offered in Lapidary, Beading, Wire wrapping and soon to come, Silver Smithing.

Our schedule:

BEADING - Monday and Friday, 10am- 1pm

BEADING CLASSES – Wednesdays, 1pm-3pm thru winter season

LAPIDARY – Thursdays, 10am-1pm

WIRE WRAPPING AND SILVERSMITHING – TBD, January thru April

Please stop by our studio anytime it is open to fully appreciate these beautiful creations. Check us out, do some shopping, and make some new friends.

VISTAS WATER AEROBICS GROUP TOUR

The Lavender Farm, Chandler, AZ – with Gloria Pawluk

The Vistas Water Aerobics ladies enjoyed a delightful October outing The Lavender Farm in Chandler. Nestled in a picturesque setting, the highlight of the tour was a beautifully decorated and carefully preserved Chateau de Vie, which was rebuilt in 1984.

The tour was both informative and engaging, offering a fascinating look into the history of the chateau and its charming grounds. The weather was perfect – a quintessential autumn day, filled with sunshine and cool breezes.

After the tour, the group gathered for a relaxing and delicious lunch, where we shared stories, laughter, and reflections on our fabulous day.

A truly memorable experience for all!

INSPIRATIONAL CORNER:

Feast of Dedication, Hanukkah

Hanukkah is known as the *Feast of Dedication* or the *Festival of Lights*. The origins of Hanukkah are not documented in the Jewish biblical texts, but rather recorded in the 1st and 2nd books of Maccabees. These historical texts are also included in apocryphal books used by Christians worldwide.

The books tell of a very courageous episode in Israel's history (167–164 BC; see 1 Macc. 3–4; 2 Macc. 8:1–10:18). One of Alexander the Great's successors, Antiochus Epiphanes, outlawed Judaism and the temple in Jerusalem was desecrated.

Judas Maccabeus, a nickname meaning "hammer," was a Jewish priest who led an uprising against Antiochus's forces in order to retake the temple. Though greatly outnumbered, the Jewish rebels won an amazing victory. On the 25th of Kislev (164 BC) the defiled temple was re-dedicated, and sacrifices were once again offered to God according to Mosaic law.

The people joyfully celebrated this victory for eight days. The menorah (the sacred temple candleabra) remained lit throughout eight days of celebration, without having the consecrated oil required to keep it burning. It was decreed

that from that time on the festival would be held each year beginning on the 25th of Kislev (1 Macc. 4:36–39). While it is not a mandated feast, Hanukkah is celebrated with great rejoicing in the homes of Jewish people to this day.

This year, the celebration of Hanukkah begins at sundown on December 14 and concludes at sundown on December 22. Each night one additional candle is lit on the menorah, which holds eight candles, representing the eight days. Festivities are held throughout the week, special foods unique to Hanukkah are enjoyed, and gifts are exchanged. Children sing Hanukkah songs and play with the traditional dreidel, which is engraved with Hebrew letters representing the phrase "a great miracle happened here."

Almost every month, a resident has a life-changing fall! I found a video on YouTube from "The Best Life Senior Podcast" - "If You Fall and Can't Get Up – 5 Steps That Could Save Your Life" by Dr. Howard Tucker, America's oldest practicing neurologist, and Dr. Shigeaki Hinohara, Japan's legendary longevity doctor. Research from the National Institute on Aging, Tokyo Metropolitan Institute of Gerontology, and Harvard Medical, reveals a practical plan to stay safe, calm, and strong, no matter your age or circumstance. Immediate action, within 60 seconds, cuts post-fall complications by more than 40%. Here are 5 scientifically proven steps every senior should know BEFORE an emergency:

- The "Stillness Check" method that prevents secondary injuries in the first 90 seconds after a fall.
- The breathing technique that helps your nervous system recover from shock—proven to restore muscle control up to 40% faster.
- The Roll and Rise Method used in hospitals to get up safely without straining the spine or cutting off circulation.
- The Post-Fall Recovery Window—what to do in the first 15 minutes after standing to prevent dizziness, fainting, or delayed shock.
- Micro-movements and mindset retraining that rebuild balance, confidence and independence, even after 70.

This video is well worth your time to watch and can be found by searching with the title of the podcast and episode name, as mentioned above. It was posted online on October 23, 2025.

Welcome to our newest volunteer, Stacey Ogg Grant! We can always use more volunteers. Please consider volunteering to help us as we help our neighbors. It's rewarding and only takes the amount of time you are willing to spend, no minimum requirements.

Helping Hands primarily does rides to medical related appointments, grocery shopping, visiting, minor handyman, and simple requests, plus we have our Medical Equipment Lending Closet at the Vistas Rec Center.

We don't do lifting, bathing or personal care, but we have a Resource Directory for those services, including in-home caregivers, living locators, and more. The ads in the back of the Living Magazine are a great place to find resources or Call Roz for more information.

WVA Treasurer's Report

For month ending August 31, 2025

"The following figures are subject to audit. However, they fairly represent the approximate financial condition of the Association at month end."

GENERAL OPERATING FUND

(Funds designated for day-to-day operations.)

The general Operating fund, which is designated for day-to-day operations, has a cash balance, including certificates of deposit, of \$2,418,844.48. The forecasted revenue for 2025 is \$3,482,865 with \$3,111,969 coming from member assessments. Total revenue for August is \$289,750.55. Total operating expenses for August are \$254,916.55. For the year to date we have a spending surplus of \$34,605.

REPLACEMENT RESERVE FUND

(Funds earmarked for major repairs, equipment replacement, and capital improvements)

The Reserve fund balance for the period ending August 31, 2025, stands at \$4,470,758.41 supported by home sales and the preservation fee associated with them. From August 1st through August 31st, there were 12 resales, with two preservation fees waived. From January 1st through August 31st there have been 115 resales in Westbrook Village with 20 of those as Waived Preservation Fees. Budget reserve fund expenditures for 2025 amount to \$1,219,050 and encompass projects including perimeter wall repair and painting, HVAC system replacement, installation of perimeter fencing for the pickleball courts, exercise room/gym upgrades, long-range planning professional services, as well as routine infrastructure maintenance and replacements.

Westbrook remains financially strong. Our replacement reserve fund is at over 70% fully funded. Thanks to all who inquired about Westbrook's financial health.

These financials are on file at the WVA Administration office. For questions or to schedule an appointment, please call 623.561.0099.

Fine Arts Featured Member Artist – *Sylvia Aunger*

I grew up where art was always present. Both my Dad & Mom were very artistic. They have been my inspiration in my life's long art journey.

My dad owned a commercial sign business, which included hand painted signs, silk screening, and hand painted highway billboards (back in the good old days). My mom was a beautiful seamstress and was very creative.

I have a degree in Interior Design, and so I have been involved in a lot of different art media: Stained glass, clay, china painting, weaving, needlepoint, sewing, pencil, watercolor and pastels.

Today I am doing pastels. In pastels there is a lot of freedom to make changes, and it is very forgiving. I love looking at things up close, seeing the details, and the mixing of the colors and shapes in them. I love the bright and vivid colors in pastels. When I take pictures, I am always looking for the next painting. When I start painting, it can be hours that go by, and it just seems like minutes. It is very rewarding when I finish a painting, and I can't believe I did it. It is definitely a gift from upstairs looking down on me.

A Life of Love and Service

By JOHN TOSTO

Orazio Giovanni Tosto was a great man who had two sons, and they each had success in their respective fields.

His father, my paternal grandfather, was born in a small town in the northern foothills of Mt. Etna, Sicily circa 1907. His parents were farmers of little means. He received only a 3rd grade education, but he was a wise man. He apprenticed with a master shoemaker who also taught my maternal grandfather, Gaetano Daidone the craft of custom made shoes. It was a friendship that spanned many years and led to their arranging the marriage of my parents in the late 1930s. Grandpa "John" was a warm and loving grandfather to us until his death in 1984.

My father was born in 1932. As my father grew, my grandfather and his brother Salvatore discussed the future of their families. This led to my grandfather's determination to give my father a college education and a profession of some means. He became a grocer in the small town of Passopisciaro. With hard work and innate wisdom, my grandfather prospered, and he sent my father to an elite boarding school in Sicily and also to the University of Catania, where my father became a pharmacist.

In 1958, my parents came to New York City with me in the womb. Because the state of New York refused my dad the opportunity to test to become a licensed pharmacist, he attended Columbia University and obtained his Bachelor's degree in pharmacy. Subsequently, my father enjoyed a career at the Columbia Presbyterian Hospital for over 30 years.

In 1965, my grandfather arrived in NY from Sicily on a ship of the Italian line. I was awestruck with the simple, yet awesome manners and love Grandpa John bestowed upon me. My grandmother Francesca and Uncle Joe arrived in January of 1966. In my limited boyish wisdom, I failed to appreciate the impact of their arrival and the subsequent birth of my sister Isabella in September of 1966. As I grew in stature and wisdom, it became much clearer to me how the reunification of my grandfather's household heaped blessings on my life.

I am now 66 years old and remember with great fondness and admiration the family God has blessed me with all these years. As I enter my 67th year, I remain indebted to my family and Grandpa "John" for years of love and sacrifices on my behalf. It remains my objective to tell their stories with love and gratitude.

The rise of the family of O.G. Tosto from humble beginnings to halcyon heights is a cherished memory that I share with you, gentle reader. It is my hope that a small-town grocer's efforts will be appreciated. Good memories keep love growing and maturing as years pass. I urge you, gentle readers, to treasure your memories as I do.

18 Hole Women's Club News -with Ann Chapman

The ranks of the 18 Hole Women's Golf Club have returned to the warmth of the Arizona desert. Welcome back! We staybirds have missed you! With the overseeding of both courses completed and both courses in pristine condition, our season is in full swing. Thank you to our amazing grounds crew!

We gathered on Monday, November 10 for our welcome back event at the Lakes Ballroom. It was great to see so many familiar faces back in the Valley of the Sun as well as some new members.

We are preparing for our first big tournament in early December – The Eclectic. A “big tournament” is one that is typically followed by lunch or dinner and awards. Even if you didn't sign up for the Eclectic this year (the deadline will have passed by the time you read this) all our members are more than welcome to attend the Pre-Eclectic Kick Off on December 8th at 4 PM in the Lakes Ballroom. We'll have appetizers and there will be pari-mutuel betting. It gets pretty serious, as well as scientific, as we provide a roster of past winners for the last several years to aid in your betting.

Do you ever wonder what kind of situations your volunteer Posse Patrol Officer encounters? Well, here are some events that "happened on my shift" from me and my fellow Patrol Officers!

I was ending my shift near Tamarron Place when a lady waved me down and told us her neighbor had fallen inside the home. My partner and I called 911 and stayed to comfort her, as it was clear she was badly hurt. When the EMT's arrived we debriefed them and they took charge.

One time Dispatch asked me to respond to a lady's request for help in Scotland Hills. She was looking for a tall Officer to change a driveway light (she was too frail to go on a step ladder). Upon review, the light was on a dusk-to-dawn sensor and didn't need to be changed. She was grateful for the assistance.

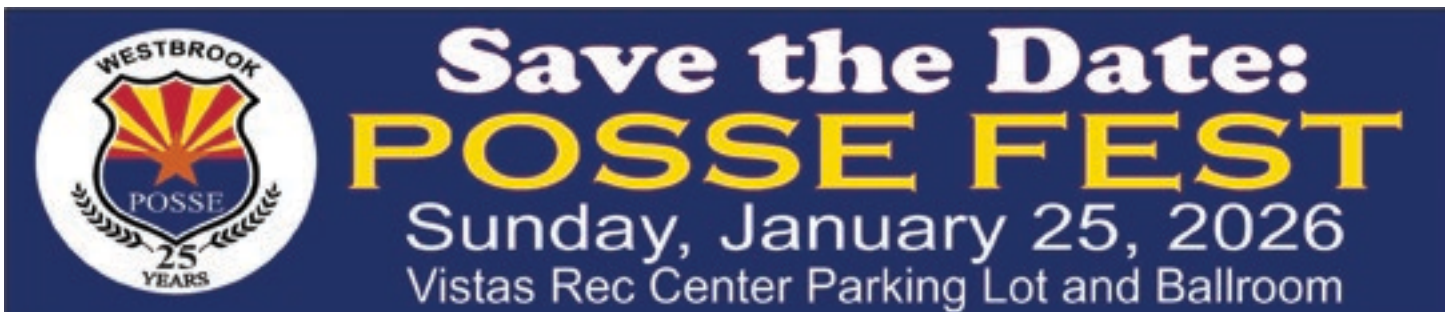

In response to a Dispatch call to check on a coyote in Cypress Point, I found it laying on the owners' yard, malnourished and dehydrated. We gave the owner the contact information to Arizona Game and Fish as they would handle the issue with them.

Speaking of coyotes, an owner in Mountain View was out with friends when a coyote entered the home through the rear patio "doggie-door," scared several of the dogs and one dog escaped and ran away. After some effort, we helped the owners get their dog home safe. Lesson learned for all!

I was driving along W. Lakeview Rd and noticed a fellow fishing in the lake. I stopped to let him know that fishing was not permitted and asked him to leave. He said he didn't know that so I told him to simply turn around and read the "No Fishing" sign. He apologized and promptly left Westbrook.

Your Posse consists of full and part time residents and when our services are needed most in summer months, part time members go home leaving roughly 25 full time members to carry the load of doing more than 125 vacation watch checks DAILY! That's now up to 15,000 house checks per season.

To be successful the Westbrook Village Posse NEEDS full time volunteers to help fulfill our mission to **"Serve and Protect"**. Contact us at commander@westbrookposse.com or 623-566-3133 to see how you can get involved. Thank you.

Club GEN XYZ: Bringing the Beat to Westbrook Village!

– with Kim Mraz

Upcoming Club Gen XYZ Events

- December 16 – *Holiday Golf Cart Parade*
- February 7 – *Prom: Glitz & Glam Dance*
- April 11 – *70s Disco Theme Dance*
- June 27, 2026 – *Americana Pool Party*

Club Gen XYZ is open to all Westbrook residents, of every generation and every groove. Our club is open to ideas for future events to offer to our community. Some ideas include: 60s Hippie Dance, Sunsets and Sangria, Cook Offs, Walk-a-thons, Fund-raising Events, Game Night, Wild West and so much more!

Stay in the loop and get all the latest updates by joining our **Facebook page: Club Gen XYZ**. Become a member to enjoy discounted tickets, **early access to pre-orders**, and more! Membership sign-up forms are available at the **Lakes Rec Center Desk**.

Above: With the determination of the community behind them, the Gen XYZ Club board leads the club to more fun L to R: (Rob Affalter (Treasurer), Sophia Phillips (President), Kim Mraz (Secretary), and Tom Mraz (Vice President)

In 2022, Sophia Phillips had an idea to start a club at Westbrook for residents who love music from the 1970s through today. The enthusiasm from friends and neighbors who shared that same passion for Gen X-era tunes (and beyond!) kept the dream alive and brought it to reality.

After hosting a few successful parties at Westbrook, **Club Gen XYZ** was born! Our dedicated board went through the proper channels to become a sanctioned club at Westbrook. On September 3rd, 2025, the HOA Board approved our club, and by October 25th, we hosted our very first dance!

Our debut event, an **'80s Theme Dance**, was a total sellout! Residents embraced the RAD decade, dancing the night away in true retro style. One of the evening's highlights was our new photo-sharing app, inspired by an idea we saw at a Vistas Ballroom birthday celebration. It was a huge hit, and we plan to continue this fun feature at future events!

A huge thank-you to our amazing board members - **Sophia Phillips (President), Tom Mraz (Vice President), Rob Affalter (Treasurer), and Kim Mraz (Secretary)** and to all the friends and volunteers who helped bring this awesome idea to life.

We can't wait to create many more memories, share great music, and have endless fun with our Westbrook Village family!

City of Peoria News:

Mayor Jason Beck

In October, Peoria celebrated a significant milestone in our economic development journey. While we mark the incredible groundbreaking of Amkor Technology, we also reflect on the strategic steps that made this outsized success possible, as we advance our mission to create local jobs, lower commute times, and drive future revenues to keep taxes low.

In December 2024, Peoria signed a landmark Intergovernmental Agreement (IGA) with the Arizona State Land Department (ASLD) to lead the planning and development efforts for the 7,000-acre Peoria Innovation Core (PIC). This unique agreement allowed the city to invest in infrastructure and be reimbursed through future land sales, driving development while saving taxpayer dollars. The agreement is also expected to generate up to \$1.5 billion in statewide K-12 funding and create shovel-ready sites for faster development.

The formalized IGA set the stage for Peoria to bring the PIC to market and facilitate future development. Following its adoption, Amkor was offered the opportunity to pursue a location within the Peoria Innovation Core, a strategy

Mayor Jason Beck

agreed upon in February 2025. From that point forward, Peoria staff remained relentlessly focused on bringing Core 2 of the PIC to market as efficiently as possible. Through tireless work by city staff across many departments—planning, engineering, economic development, and more—the auction for the PIC property was publicly noticed in June 2025 and scheduled for late August.

On August 27, 2025, Peoria made history as the successful bidder for the Core 2 property, representing 834.5 acres along Lake Pleasant Parkway and Loop 303. The following day, the Peoria City Council unanimously adopted an updated Development Agreement and land swap with Amkor Technology to locate on a 104-acre site within the PIC.

These actions represent just some of the behind-the-scenes work that led to the formal groundbreaking on October 6, where Amkor announced plans to expand their investment from \$2 billion and 2,000 jobs to up to \$7 billion and 3,000 jobs.

Peoria's recent economic development success is the result of years of planning, preparation, and importantly, effective execution. As we advance, our economic vision remains centered around creating local jobs that drive revenue to maintain low taxes and cut down on costly commute times. Driving revenue and employment fosters a friendly environment for our small business, increases the quality of our schools and local property values, and creates new revenue that allows Peoria to prioritize public safety and other critical city services.

This process marks an incredible milestone for our city. The past year has shown what's possible when innovation meets execution. And the best part? This isn't the end of Peoria's drive for economic development; it's only the beginning.

Mayor Jason Beck

LIBRARY NEWS

with Kay McCaughey

With this very special holiday season approaching, our library is displaying many excellent books, puzzles, movies for your relaxation during this busy time for many of our residents!

Christmas in Westbrook

A Poem by Ronda Foss - WV Resident and Maine Native

*'Tis Christmas in Westbrook, where
Santa wears shorts
And plays golf and tennis at
valley resorts.*

*He opens his windows to feel
the warm breeze
And picks a fresh lemon from
one of his trees.*

*His Elves find a cool spot
to sit in the shade
And sing "Let it Snow" as
they sip lemonade.*

*The beauty of snow may be nice to recall
But most folks in Westbrook don't miss it at all.*

*The lights are all hung on the cacti with care--
Avoiding the thorns of the Prickly Pear.*

*The folks here in Westbrook are tucked in their beds,
While visions of shriveled plums dance in their heads.*

*No reindeer for Santa--the old guy is smart:
He runs by the golf course and borrows a cart.*

*No ear muffs, no mittens, no frost-bitten toes--
No snowdrifts from winds that a Nor'Easter blows.*

*I heard him exclaim as he drove down the street,
"Oh, Christmas in Westbrook is sure hard to beat!"*

Claymates Pottery Studio Featured Artist

KRIS MASSIE

After this Minnesota snowbird landed at Westbrook Village, becoming a member of the WV Pottery Club was the definitely the frosting on the cake. I've been under the spell of CLAY ever since. The studio is My Happy Place, a room full of wonderful, talented artists with so much creativity just bubbling over.

After taking the beginner's class, I honestly wasn't really sure I'd ever make more than a simple dish. Then I took an "advanced" beginners class from one of our longtime artistic members, Sue, and was able to gain some advanced skills. I started believing that, yes, I can do this!

When the Fundraising Committee put together a collaborative project with the theme "Never Grow Up," and asked for entries, I convinced my friend, Nora, that she had the skills to do it, and I would help. I was very happy with our finished entry and was able gain valuable experience working on it. From there I jumped into many hand building challenges. I did take a wheel class back in Minneapolis over the first summer, and I fell in love this art medium. But after six weeks and a few pieces that looked like they were unearthed in a dig, I think I'm sticking with hand building for now.

In addition to the joy the hands-on experience brings me, I can't say enough about the people I've met and friends I've made. Everyday someone willingly shares something new. Every day we find something to laugh about, and every day I feel kindness. Please stop in and see all the art in process, and the treasures for sale. And look me up - I'd love to show you around My Happy Place.

Come and See the Luminarias at Fairway Ridge

– with Tamra Greco

Luminarias light the way on Christmas Eve each year

Every year on Christmas Eve, the residents at Fairway Ridge volunteer their time and efforts to make this a wonderful event to be shared with our entire Westbrook Village Community. Hundreds of simple paper lanterns are made by placing a votive candle in some sand

inside a paper bag, and then lining the streets and walkways with them.

At dusk on December 24, be sure to head over to W. 94th Land and N. Lakeview Road at the Lakes and either stroll or drive slowly alongside the

beautifully lit neighborhood in the cool evening air. Bring your hot chocolate in a thermos—a perfect outing!

This traditional light show brightens the community until well after midnight.

The WV Veterans Club Supports Our Troops Deployed Abroad

Left: A job well done!

Above: Linda Wright shares her finished ornament while Judy Moore looks on.

“Operation Veteran’s Care Package” was a tremendous success! Dozens of WV residents gathered at the Lakes Ballroom to build thoughtfully planned care packages for troops deployed overseas. Thanks to the ongoing and tireless efforts of Youth 4 Troops in our area, the event went off like a well-oiled machine!

All the items were already purchased, so an assembly line was formed to include all the gifts and to add a personal note to each care package. Volunteers also decorated ornaments to

help with the R.E.D. (Remember Everyone Deployed) aspect of the effort. The atmosphere was filled with holiday music and a jovial spirit was felt by all attending.

Thank you, Veterans Club, for your unending support for our Veterans and their families, and for contributing to our military in such a meaningful way for this time of year. May each serviceman deployed abroad experience a special touch during this season as they are far from their families.

Above Left: Club President Carl Ulbrich spoke to the group about the gifts going out to the troops and their impact

Bottom Left: Everyone pitched in to fill the care packages for the troops

Above Right: An assembly line was formed to fill the care packages with all the specially gathered goodies

Technology Club Tip of the Month!

Questions about the best email providers and email clients? Attend our free Windows Workshop on December 9th at 2 p.m. hosted by John Ellsworth!

("Windows World" is the second Tuesday of the month – tune in for upcoming Workshops!)

Additional December Workshops:

Tech Talk Thursday, December 4th 6 p.m., topic "Web Meetings" hosted by Pete Lawton

Apple Bytes Workshop on Wednesday, December 10th, 2 p.m. hosted by Pat Williamson

All will be held in the Technology Room at the Lakes Rec Center

WOULD YOU LIKE TO PROVIDE A VALUABLE SERVICE TO SUPPORT YOUR COMMUNITY?

The Technology Club sponsors AARP Tax Prep and we are looking for Volunteers for Tax Prep Work & IT assistance if you are experienced in these areas. Tax Season will be upon us before you know it!

Technology Club – Member of the Month

Jerry Davis

Jerry Davis is a Westbrook resident for over 9 years. Married to Donna over 53 years with two children and five grandchildren. Air Force Veteran (1971 to 1975). with Joanne Eichler

Even though we sold much at the craft fair, we may still have some Rudolph wall hangings left-- Please stop by the studio. If you have that special person to buy for on your holiday shopping list, visit the Needle Arts Studio and select a unique handcrafted gift made right here in Westbrook Village. Studio hours at the Vistas are Tuesday and Thursday 1-3 pm.

The club is making plans for a Christmas Pot Luck luncheon for club members in the Vistas Ballroom on Tuesday, December 9 from 12 to 2pm.

THANK YOU FOR YOUR DONATIONS The Club would like to thank all WV residents who donate supplies for club use. Your donations are put to very good use when we donate every year to local organizations who serve our community. Please contact Linda Gierescher, our club President, to determine if your item can be used and how to arrange for drop off at the NAAC studio.

KNITTING NEWS Starting in January, the Needle Arts and Crafts Club is offering a **Beginner Knitting Class**. This class will be free to NAAC members. If you're interested, feel free to join the club. Annual dues are \$15.00. More information will be available in next month's Living Magazine.
